DEPARTMENT OF DEFENSE

Office of the Secretary

Class Tuition Waiver for Children of Foreign Personnel Assigned to Partnership for Peace

AGENCY: DoD, DoDDS.

ACTION: Notice.

The Assistant Secretary of Defense (Force Management Policy (ASD(FMP))) issued a memorandum dated July 9, 1995, establishing a class tuition waiver for the space available enrollment of Partnership for Peace (PFP) dependents

at the SHAPE International School (SIS) and the Brussels American School (BAS). On January 16, 1997, the ASD(FMP) signed a memorandum that supersedes the 1995 memorandum.

Effective immediately enrollment in the SIS and the BAS on a space-available, tuition-free basis is designated through the end of school year 1997-98, for the dependents of military and diplomatic personnel participating in the PFP Program in Belgium who meet the following criteria: The sponsor must be identified and recommended to the Brussels District Superintendent as eligible under the waiver by the U.S. National Military Representative (USNMR) to the Supreme Headquarters Allied Powers, Europe (SHAPE) for PFP sponsors assigned to the Partnership Coordination Cell, Mons, or other North Atlantic Treaty Organization (NATO) activities in the SHAPE area; or by the Defense Advisor to the U.S. Mission to the NATO for PFP sponsors stationed at NATO Headquarters or other NATO activities in the Brussels area. To be eligible, a PFP sponsor must be assigned specifically for the purposes of performing representational functions within the PFP Program, and the sponsor's principal "place of duty" must be a PFP office at NATO command or headquarters in either Mons or Brussels, Belgium.

Notwithstanding the above criteria, children enrolled for school year (SY) 1996-97 pursuant to the June 9, 1995 memorandum, will be enrolled, space-available, tuition-free, through the end of SY 1996-97. Thereafter, to remain eligible, those students and all other PFP students who request enrollment, must meet the above criteria. Commencing with SY 1997-98, enrollment preference will be extended to students who were previously enrolled, in the order in which they registered. All eligible students will be screened to determine the appropriate educational program. Enrollment is contingent upon the availability of space. Tuition is waived only for so long as a student remains eligible under the terms of this memorandum. Students must be disenrolled upon the loss of eligibility, unless space is available to enroll them as tuition-paying students and they pay tuition in accordance with DoD Directive 1342.13.

SUPPLEMENTARY INFORMATION: Copies of DoD Directive 1342.13, "Eligibility Requirements for Education of Minor Dependents in Overseas Area," are available, at cost, from the National Technical Information Service, 5285 Port Royal Road, Springfield, VA 22161. Questions can be addressed to the

Department of Defense Education Activity, Attention: Mr. Robert Terzian, 4040 North Fairfax Drive, Arlington, VA 22203-1635.
