Certain Chemical Approval of Modifications to Test Marketing Exemption

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces EPA's approval of modifications of the test marketing period for a test marketing exemption (TME) under section 5(h)(1) of the Toxic Substances Control Act (TSCA) and 40 CFR 720.38. EPA designated the original test marketing application as TME-90-11. The test marketing conditions are described below.

EFFECTIVE DATE: March 20, 1997.

FOR FURTHER INFORMATION CONTACT:

Darlene Jones, New Chemicals Branch, Chemical Control Division (7405), Office of Pollution Prevention and Toxics, Environmental Protection Agency, Rm. E-447, 401 M St. SW., Washington, D.C. 20460, (202 260-2279), e-mail: jones.darlene.@epamail.epa.gov.

SUPPLEMENTARY INFORMATION: Section 5(h)(1) of TSCA authorizes EPA to exempt persons from premanufacture notification (PMN) requirements and permit them to manufacture or import new chemical substances for test marketing purposes if the Agency finds that the manufacture, processing, distribution in commerce, use, and disposal of the substances for test marketing purposes will not present an unreasonable risk of injury to health or the environment. EPA may impose restrictions on test marketing activities and may modify or revoke a test marketing exemption upon receipt of new information which casts significant

doubt on its finding that the test marketing activity will not present an unreasonable risk of injury.

EPA hereby approves the modifications of the test marketing period, production volume, and number of customers for TME-90-11. EPA has determined that test marketing of the new chemical substance described below, under the conditions set out in the TME applications and modification requests, and for the modified time periods specified below, will not present any unreasonable risk of injury to health or the environment. Production volume, use, and the number of customers must not exceed that specified in the application. All other conditions and restrictions described in the original Notice of Approval of Test Marketing Application must be met.

TME-90-11

Notice of Approval of Original Application: July 13, 1990 (55 FR 22827).

Production Volume: 15,000 kilograms per year.

Number of Customers: Confidential
Modified Test Marketing Period: 36 months.

Commencing On: First day of manufacture.

The Agency reserves the right to rescind approval or modify the conditions and restrictions of an exemption should any new information come to its attention which casts significant doubt on its finding that the test marketing activities will not present any unreasonable risk of injury to health or the environment.

FEDERAL COMMUNICATIONS COMMISSION

Public Information Collections Approved by Office of Management and Budget

March 24, 1997.

The Federal Communications Commission (FCC) has received Office of Management and Budget (OMB) approval for the following public information collections pursuant to the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid control number. For further information contact Shoko B. Hair, Federal Communications Commission, (202) 418-1379.

Federal Communications Commission.

OMB Control No.: 3060-0056.

Expiration Date: 03/31/2000.

Title: Registration of Telephone and Data Terminal Equipment.

Form No.: FCC Form 730.

Estimated Annual Burden: 2400 respondents; 24 hours per response (avg.); 57,600 total annual burden hours.

Estimated Annual Reporting and Recordkeeping Cost Burden: \$2700.

Description: Telephone and data equipment located on customer premises must be registered with the Commission. Part 68 of FCC's rules and regulations establishes nationwide technical standards for telephone and data equipment designed for connection to the network. Part 68 also sets for the terms and conditions for connection and for the registration of customer provided terminal equipment. See Part 68,

Subparts A-F. The purpose of Part 68 is to protect the network from certain types of harm and interference to other subscribers. FCC Form 730 is used to obtain registration of telephone equipment pursuant to Part 68 of the Commission's Rules. In addition to filing the form, applicants are required to submit exhibits and other informational showings as specified by Part 68. For example, Part 68, Subpart C contains the procedures for registering equipment and lists many of the exhibits and showings that must be filed with the application form. The exhibits and showings are described in Section 68.200(a) through (k). These requirements are also specified in the application form and the application guide. Information submitted is used by the Common Carrier Bureau staff and FCC Laboratory for evaluation of equipment to determine whether such equipment meets the criteria set forth in Part 68 of the Commission's Rules. This is necessary in order to prevent improperly designed equipment from causing harm to the nation's telephone network. FCC Form 730 has been revised. The March 1997 edition of FCC Form 730 form may be obtained either: by calling the Forms Distribution Center at 1-800-418-3676 to order the form; by picking up a copy of the form from the Forms Self Serve Center in Room L-17 at 1919 M Street, Washington, DC 20554; or, by using the Commission's Fax on Demand system. Copies may be ordered via fax 24 hours a day by calling 202-418-0177 from the handset of any fax machine. The document retrieval number is 000730. Follow the system voice prompts and enter the document retrieval number when requested.
OMB Control No.: 3060-0410.
