Applicant's Representations

1. Applicant is a unit investment trust that has variously offered Periodic Investment Plans to Acquire United Science Fund Shares of United Funds, Inc. and Periodic Investment Plans with Insurance to Acquire United Science Fund Shares of Untied Funds, Inc. (collectively, the "Plans"). Applicant was created under the laws of Missouri pursuant to a trust agreement ("Trust Agreement") dated August 29, 1960. Waddell & Reed, Inc. (the "Sponsor") and State Street Bank and Trust Company (the "Custodian") serve as applicant's Sponsor and Custodian, respectively.

2. According to SEC records, on August 24, 1960, applicant filed a notification of registration on Form N-8A under section 8(a) of the Act. On August 29, 1960, applicant filed a registration statement on Form N-8B-2 under section 8(b) of the Act to register the Plans, which became effective in 1960. The initial public offering of the Plans commenced on or soon after such date.

3. Before February 29, 1996, the Sponsor ceased to offer and sell any new Plan. The Custodian subsequently informed the Sponsor that it intended to resign as custodian. Accordingly, and in light of changes since the inception of the Plans in the ways of investing in United Funds, Inc. Science and Technology Fund (the "Fund"),¹ the Fund which underlies the Plans, the Sponsor determined not to continue the Plans.

4. The Trust Agreement provides that the Plans may be changed by agreement of the Sponsor and the Custodian without the consent of the Plan holders, provided that the change does not adversely affect the substantive rights of the Plan holders. The Sponsor determined that: (1) The amendment of the certificates of each Plan to permit the termination of that Plan by the Sponsor did not adversely affect the substantive rights of the Plan holders; and (b) overall, as direct shareholders of the Fund, Plan holders on the Termination Date, as defined below, would be in a position at least as favorable, if not more favorable, than if their Plans had not terminated. Effective March 11, 1996, the Sponsor and the Custodian amended the certificates of the Plans to permit the termination of each plan by the Sponsor in accordance with the terms of the notice sent to Plan holders as described below.

5. On or about February 29, 1996, applicant sent to all holders of record of an interest in applicant notice that, as of May 30, 1996 (the "Termination Date"), applicant would be terminated and the Sponsor would arrange for each holder of a Plan to receive the number of Class A shares of the Fund held by applicant corresponding to the value of such holder's interest in the Plan and thus representing an in-kind distribution of the holder's pro rata interest in the assets of applicant.

6. As of May 29, 1996, there was \$43,115,292 face amount of Plans outstanding, representing beneficial interests in applicant having an aggregate value of \$87,227,151 based on 3,309,072.514 Fund shares owned by applicant for outstanding Plans at \$26.36 per Fund share.²

7. On the Termination Date, applicant distributed all of its net assets, consisting of shares of the Fund, to Plan holders of record on that date. Each such Plan holder received, at no acquisition fee, the number of Class A shares of the Fund corresponding to the value of his or her Plan interest. The distribution to and receipt by each Plan holder of record was effected by the establishment, on the books of the Fund, of an account in the name of that individual with the requisite number of Class A shares of the Fund. Distributions of 3,309,072.514 Fund shares held by applicant in the total amount of \$88,352,236 to 9,590 holders or record represented approximately 100% of the net assets of applicant. Each Plan holder received his or her proportionate share of such liquidation distribution in Class A shares of the Fund.

8. Any holder of an uncompleted Plan on the Termination Date with a face amount of less than \$12,000, may purchase Class A shares of Fund at net asset value ("NAV"), plus a maximum sales charge of 2%, up to the amount representing the unpaid balance of his or her Plan, if the purchase order is so designated. Any holder of an uncompleted Plan on the Termination Date with a face amount of \$12,000 or more, may purchase Class A shares of the Fund at NAV, up to the amount representing the unpaid balance of the Plan, if the purchase order is so designated. In addition, any person who was a Plan holder on the Termination

² The dollar value of the face amount of Plans is the total amount of payments to be made under the Plans purchased by Plan holders. The aggregate value of Plans outstanding is the net asset value of the shares of the Fund attributable to such Plans outstanding, which may be greater or less than the face amount depending on the number of payments made and changes in the value of the Fund shares.

¹ United Science Fund of United Funds, Inc. is now known as United Science and Technology Fund, a series of Untied Funds, Inc.

Date may purchase Class A shares of the Fund at NAV up to the amount representing partial Plan withdrawals outstanding on the Termination Date, provided the purchase order is so designated.³

9. Applicant states that, in order to ensure that holders of uncompleted Plans received full credit for sales commissions previously paid, the Sponsor analyzed the maximum commission rate that would have been applicable to subsequent payments under the Plan. Applicant further states that, for each of the foregoing categories of holders of uncompleted Plans, the sales charge, if any, for purchases of Class A shares of the Fund reflecting the unpaid balance of the face amount of the Plan is less than the sales charge that would have been applicable if such purchases had been made under continuation of the Plan. Termination of the Plans did not result in any Plan holder paying a sales charge in excess of that permitted under section 27 of the Act or provided under the terms of the Plan.

10. Expenses incurred in connection with the liquidation consist primarily of legal, printing, mailing, and miscellaneous administrative expenses. The expenses are expected to total approximately \$14,430, and have been or will be paid by the Sponsor.

11. Applicant has no assets or securityholders, and is not a party to any litigation or administrative proceeding. The only known debts or other liabilities of applicant that remain outstanding are legal fees of approximately \$325, which will be paid by the Sponsor. Applicant is not engaged, nor does it propose to engage, in any business activities other than those necessary for the winding-up of its affairs.

For the SEC, by the Division of Investment Management, under delegated authority.

Margaret H. McFarland,

Deputy Secretary.

BILLING CODE 8010-01-M

³The terms of the Plans allowed Plan holders who had made 18 minimum monthly payments to make partial withdrawals of cash or Fund shares from their Plans, subject to certain restrictions. After 90 days from the time of making a withdrawal and before the Plan's termination or exchange, Plan holders could redeposit cash or Fund shares (depending on what had been withdrawn) to their Plans without a sales charge. Despite the 90-day provision, Plan holders were permitted to make partial withdrawals up to the Termination Date, and redeposits at any time subsequent to the conversion.
