[Docket No. CP97-356-000]

Ozark Gas Transmission System; Notice of Application

April 25, 1997.

Take notice that on April 21, 1997, Ozark Gas Transmission System (Ozark), 1000 Louisiana, Suite 5800, Houston, Texas 77002, filed an application pursuant to Section 7(b) of the Natural Gas Act and Part 157 of the Commission's Regulations for permission and approval to abandon by removal one lateral line compressor

located at Ozark's Carter Compressor Station in Franklin County, Arkansas, all as more fully set forth in the application which is on file with the Commission and open to public inspection.

Specifically, Ozark seeks to abandon by removal one of the two compressors at the Carter Compressor Station. Ozark says the compressor is no longer needed because there has been a significant drop in gas volumes on the Carter Lateral. Ozark says the one remaining 300 HP compressor at the Carter Compressor Station will be sufficient to compress the remaining supply on the lateral. Ozark further states that after approval of abandonment, it will retain in the abandoned compressor for future use.

Any person desiring to be heard or to make any protest with reference to said application should, on or before May 16, 1997, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene or protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that permission and approval of abandonment is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that formal hearing is required, further notice of such hearing will be duly given.

Under the procedures herein provided for, unless otherwise advised, it will be
