**FEDERAL COMMUNICATIONS COMMISSION**

**Notice of Public Information Collection Submitted to OMB for Emergency Review and Approval**

April 28, 1997.

**SUMMARY:** The Federal Communications Commission has requested Office of Management and Budget ("OMB") approval, under the emergency processing provisions of the Paperwork Reduction Act of 1995, for the FCC Annual Survey of Cable Industry Prices ("1997 Price Survey"). OMB approval is requested to be effective no later than June 5, 1997. The Commission, as part of its continuing effort to reduce paperwork burden, invites the general public and other federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act of 1995, Public Law 104-13.

Comments should address: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

**DATES:** Written comments should be submitted on or before June 2, 1997. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

**ADDRESSES:** Direct all comments to Timothy Fain, Office of Management and Budget, Room 10236 NEOB, Washington, DC 20503, 202-395-3561 or via internet at [fain\\_t@al.eop.gov](mailto:fain_t@al.eop.gov), and to Dorothy Conway, Federal Communications, Room 234, 1919 M

St., NW., Washington, DC 20554 or via internet to [dconway@fcc.gov](mailto:dconway@fcc.gov).

**FOR FURTHER INFORMATION CONTACT:** For copies of the proposed 1997 Price Survey contact Dorothy Conway at 202-418-0217 or via internet at [dconway@fcc.gov](mailto:dconway@fcc.gov). Copies may also be obtained by contacting the Commission's Fax on Demand System. To obtain fax copies, call 202-418-0177 from the handset on your fax machine, and enter the document retrieval number when prompted. The document retrieval number is 000647. The proposed 1997 Price Survey is also posted on the Commission's internet site at: <http://www.fcc.gov/formpage.html>. The internet posting can be accessed by downloading the Adobe Reader and then the 1997 Price Survey PDF file. For additional information concerning this information collection requirement contact Dr. Kiran Duwadi at 202-418-7200.

**SUPPLEMENTARY INFORMATION:** The Cable Television Consumer Protection and Competition Act of 1992 ("Cable Act") requires the Commission to publish an annual statistical report on average rates for basic cable service, cable programming service and equipment. The report must compare the prices charged by cable systems subject to effective competition and those that are not subject to effective competition. The 1997 Price Survey is intended to collect the data needed to prepare this report. For the 1997 Price Survey, the Commission will provide the survey and receive responses by means of the internet. We will also provide diskette copies of the survey to respondents so that cable operators without internet access will have automated copies of the survey to complete. We will also provide paper versions of the survey to all respondents in the event that some respondents do not have access to the internet or a computer.

*OMB Approval Number:* 3060-0647.

*Type of Review:* Reinstatement, with change, of a previously approved collection.

*Respondents:* Business or other for-profit entities.

*Number of Respondents:* 635.

*Estimated Time Per Response:* 8 hours.

*Total Annual Burden to Respondents:* 5,080 hours. The Commission estimates that the average burden to respondents for gathering the data and completing and filing the 1997 Price Survey will be 8 hours. The survey will be sent to a total of 635 respondents. 635 responses x 8 hours = 5,080 hours.

*Total Cost to Respondents:* \$2,000.

We estimate that a significant portion of

respondents (an estimated 400 out of 635) will opt for the purchase of computer diskettes to complete the 1997 Price Survey. 400 respondents x \$5 per diskette = \$2,000.

*Needs and Uses:* The 1997 Price Survey will be distributed to randomly selected groups of competitive and noncompetitive cable systems. The data collected will be used by the Commission to monitor cable prices and to determine whether the goal of the Cable Act is being met; that goal being to ensure that rates charged for basic and cable programming services by cable operators not subject to effective competition are reasonable in comparison with rates charged by operators subject to effective competition. The results of the survey will be published in an annual report on cable industry prices.

## FEDERAL COMMUNICATIONS COMMISSION

[CC Docket No. 92-237]

### FCC Announces That May 14, 1997 Meeting of the North American Numbering Council Will Be Closed to the Public

**AGENCY:** Federal Communications Commission.

**ACTION:** Notice.

**SUMMARY:** On April 28, 1997, the Commission released a public notice announcing that the May 14, 1997, meeting of the North American Numbering Council (NANC) will be closed to the public. The May 14 meeting and its agenda had been announced in a public notice published in the **Federal Register** on March 28, 1997 (See 62 FR 14907). The intended effect of this action is to make the public aware that the May 14 NANC meeting will now be closed to the public, and only NANC members and FCC employees may attend.

**FOR FURTHER INFORMATION CONTACT:** Linda Simms, Administrative Assistant of the NANC, at (202) 418-2330. The address is: Network Services Division, Common Carrier Bureau, Federal Communications Commission, 2000 M Street, NW, Suite 235, Washington, DC 20054. The fax number is: (202) 418-2345. The TTY number is: (202) 418-0484.

## SUPPLEMENTARY INFORMATION:

Released: April 28, 1997.

In response to NANC Chairman Al Hasselwander's request, FCC Chairman Reed Hundt, in a letter dated April 25, 1997, determined, "after review by the General Counsel, that the May 14 meeting of the NANC may be closed to the public." In making this determination, Chairman Hundt stated:

Given that the NANC's review, at the meeting, of proposals for the North American Numbering Plan Administrator is likely to involve disclosure of 'trade secrets and commercial or financial information obtained from a person and privileged or confidential,' the May 14 meeting is subject to the Government in Sunshine Act's allowance for closure of meetings otherwise required to be open to the public. See GISA Section 552b(c)(4). Under the Federal Advisory Committee Act, 5 U.S.C., App. 2 (1988) (FACA), the requirement that Federal Advisory Committee meetings be open to the public is, therefore, not applicable to the May 14 meeting of the NANC. See FACA Section 10(d).

## Agenda

At the May 14, 1997, NANC meeting, the NANC will review the proposals submitted by respondents to the Requirements Document for the North American Numbering Plan Administrator. This review will assist the NANC in its final review of the recommendation for selection of a North American Numbering Plan Administrator.
