FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 25

[IB Docket No. 95-91; GEN Docket No. 90-357; DA 97-908]

Satellite Digital Audio Radio Service

AGENCY: Federal Communications Commission.

ACTION: Proposed rule; extension to file comments.

SUMMARY: The Commission has adopted an *Order* granting an extension of time in which to file comments in the Commission's Further Notice of Proposed Rulemaking in IB Docket No.

95-91. On April 30, 1997, the National Association of Broadcasters requested a thirty-day extension of time to file comments in the FNPRM. In the *Order*, we grant NAB's request and extend the comment and reply dates to June 13 and June 27, 1997, respectively.

DATES: Comments are due on or before June 13, 1997. Reply comments are due on or before June 27, 1997.

ADDRESSES: Office of the Secretary, Federal Communications Commission, 1919 M Street, N.W., Room 222, Washington, D.C. 20554.

FOR FURTHER INFORMATION CONTACT: Rosalee Chiara at (202) 418-0754 or Ron Repasi at (202) 418-0768 with the International Bureau.

SUPPLEMENTARY INFORMATION:

1. The National Association of Broadcasters (NAB) has requested an extension of time for filing comments in response to the Further Notice of Proposed Rulemaking in the above captioned docket regarding the use of terrestrial repeaters in the satellite Digital Audio Radio Service (DARS).¹ Comments were originally due on May 2, 1997. We grant NAB's request.

2. In support of its request for additional time, NAB states that the two DARS applicants who won licenses in the April auction are required to submit amended technical proposals on or before May 16. NAB asserts that it is impossible to comment on the issue of terrestrial repeaters until this amended technical information is available. NAB also states that because the applicant's original applications were filed in 1992, up-to-date technical proposals are necessary to prepare comments.

3. We find that an extension is warranted in this instance. Accordingly, pursuant to Section 0.261 of the Commission's rules on delegation of authority, 47 CFR § 0.261, IT IS ORDERED, that the time for filing comments with respect to the Further Notice of Proposed Rulemaking in this proceeding is extended to June 13, 1997. Reply comments are due on or before June 27, 1997.

Federal Communications Commission.
