

or exporters not covered in these reviews but covered in the original LTFV investigation or a previous review, the cash deposit will continue to be the most recent rate published in the final determination or final results for which the manufacturer or exporter received a company-specific rate; (3) if the exporter is not a firm covered in these reviews, or the original investigation, but the manufacturer is covered, the cash deposit rate will be that established for the manufacturer of the merchandise in the final results of these reviews, or the LTFV investigation; and (4) if neither the exporter nor the manufacturer is a firm covered in these or any previous reviews, the cash deposit rate will be 15.92 percent, the "all-others" rate based on the first review conducted by the Department in which a "new shipper" rate was established in the final results of antidumping administrative review (48 FR 51801, November 14, 1983). These requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are in accordance with section 751(a)(1) of the Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22.

Dated: April 30, 1997.

Robert S. LaRussa,

Acting Assistant Secretary for Import Administration.

Applicable Statute

Unless otherwise indicated, all citations to the Act are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act (URAA).

Background

On January 9, 1997, the Department published in the **Federal Register** (62 FR 1320) the preliminary results of 1994-95 administrative review of the antidumping duty order on silicomanganese from Brazil (59 FR 66003, December 22, 1994). The period of review (POR) is June 17, 1994 through November 30, 1995. In our notice of preliminary results of review we stated that we intended to publish the final results of this review within 120 days of publication of the preliminary results.

Postponement of Final Results of Review

Section 751(a)(3)(A) of the Act requires the Department to make a final determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within the foregoing time, the Department may extend the 120 day period for making a final determination to 180 days.

We determine that it is not practicable to issue the final results of this review within the 120-days for the reasons contained in the Memorandum from Richard W. Moreland to Robert S. LaRussa, April 30, 1997, on file in Room B-099 of the Main Commerce Building.

Accordingly, we are extending the deadline for making our final determination and issuing the final results in this review. We intend to issue the final results of review by July 8, 1997, which is 180 days after the publication of our preliminary results. This extension is in accordance with section 751(a)(3)(A) of the Act.

Dated: April 30, 1997.

Richard W. Moreland,

Acting Deputy Assistant Secretary for AD/CVD Enforcement.
