3. The Partnership and the General Partner will maintain and preserve, for the life of the Partnership and at least two years thereafter, such accounts, books, and other documents as constitute the record forming the basis for the audited financial statements that are to be provided to the Partners, and each annual report of the Partnership required to be sent to the Partners, and agree that all such records will be subject to examination by the SEC and its staff.<sup>10</sup>

4. The General Partner will send to each person who was a Partner at any time during the fiscal year then ended, Partnership financial statements audited by the Partnership's independent accountants. In addition, within 90 days after the end of each fiscal year of the Partnership or as soon as practicable thereafter, the General Partner shall send a report to each person who was a Partner at any time during the fiscal year then ended, setting forth such tax information as shall be necessary for the preparation by the Partner of his or its federal and state income tax returns and a report of the investment activities of the Partnership during such year. To the extent that a valuation of any interest in the Partnership is required by the terms of the Partnership Agreement or otherwise, such valuation will be made by the General Partner or by independent third parties appointed by the General Partner and deemed qualified by the General Partner to render an opinion as to the value of Partnership assets, using such methods and considering such information relating to the investments, assets, and liabilities of the Partnership as the General Partner or the independent third party, as the case may be, may reasonably determine and, in the case of the General Partner, consistent with its fiduciary duty to the Limited Partners.

5. In any case where purchases or sales are made by a Partnership from or to an entity affiliated with such Partnership by reason of a 5% or more investment in such entity by a Bear Stearns advisory director, director,

6. The General Partner of each Partnership will not invest the funds of the Partnership in any investment in which a "Co-Investor," as defined below, has acquired or proposes to acquire an investment in the same issuer, where the investment involves a joint enterprise or other joint arrangement within the meaning of rule 17d-1 in which such Partnership and the Co-Investor are participants, unless such Co-Investor, prior to disposing of all or part of its investment, (a) gives such General Partner sufficient, but not less than one day, notice of its intent to dispose of its investment; and (b) refrains from disposing of its investment unless such Partnership has the opportunity to dispose of such Partnership's investment prior to or concurrently with, on the same terms as, and *pro rata* with, the Co-Investor. The term "Co-Investor," with respect to any Partnership, means any person who is: (a) an "affiliated person" (as such term is defined in the Act) of such Partnership; (b) an entity within Bear Stearns; (c) an officer or director of an entity within Bear Stearns; or (d) a company in which the General Partner of such Partnership acts as a general partner or has a similar capacity to control the sale or other disposition of the company's securities. The restrictions contained in this condition, however, shall not be deemed to limit or prevent the disposition of an investment by a Co-Investor: (a) to its direct or indirect wholly-owned subsidiary, or to a direct or indirect wholly-owned subsidiary of its parent; (b) to immediate family members of such Co-Investor or a trust or other investment vehicle established for any such family member; (c) when the investment is comprised of securities that are listed on any exchange registered as a national securities exchange under section 6 of the Exchange Act; or (d) when the investment is comprised of securities that are national market system securities pursuant to section 11A(a)(2) of the Exchange Act and rule 11Aa2-1 thereunder.

### Green Oasis Environmental, Inc.; Order of Suspension of Trading

May 9, 1997.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Green Oasis Environmental, Inc. ("Green Oasis"), a Charleston, South Carolina based company purportedly engaged in the business of developing and selling equipment to process waste motor oil into more valuable fuels, because of questions regarding, among other things, Green Oasis' press releases concerning (1) the development of Green Oasis' products; (2) Green Oasis' business operations, including the testing of its equipment; (3) relationships between Green Oasis and a financial analyst who recommended purchase of its shares; and (4) the commercial viability to the contracts Green Oasis has announced it received to purchase its equipment.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the above-listed company is suspended for the period from 9:30 a.m. EDT, May 9, 1997 through 11:59 p.m. EDT, on May 22, 1997.

By the Commission.
