Renee Jabbour Manufacturing Incorporated, Allentown, Pennsylvania; Notice of Termination of Investigation

Pursuant to Title V of the North American Free Trade Agreement Implementation Act (P.L. 103-182) concerning transitional adjustment assistance, hereinafter called (NAFTA-TAA), and in accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 U.S.C. 2273), an investigation was initiated on May 1, 1997 in response to a petition filed on behalf of workers at Renee Jabbour Manufacturing Incorporated, Allentown, Pennsylvania.

This case is being terminated because the workers were separated from the subject firm more than one year prior to the date of the petition. The NAFTA Implementation Act specifies that no certification may apply to any worker whose last separation occurred more than one year before the date of the petition. Consequently further investigation in this case would serve no purpose, and the investigation has been terminated.

Signed at Washington, D.C., this 15th day of May 1997.

Program Manager Policy, and Reemployment Services, Office of Trade Adjustment Assistance.

Square D Company Schneider North America Milwaukee, WI; Notice of Affirmative Determination Regarding Application for Reconsideration

By letter of April 22, 1997, the International Brotherhood of Electrical Workers, AFL-CIO, Local 2336, requested administrative reconsideration of the Department of Labor's Notices of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance (TA-W-33,276) and NAFTA-Transitional Adjustment Assistance (NAFTA-01510) for workers of the subject firm. The denial notice for TA-

W-33,276 was signed on March 28, 1997, and published in the **Federal Register** on April 15, 1997 (62 FR 18361). The denial notice for NAFTA-01510 was signed on March 28, 1997, and published in the **Federal Register** on April 15, 1997 (62 FR 18362).

The petitioner claims that the company has continued to shift production of low voltage transformers from Milwaukee to Mexico.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, D.C. this 13th day of May 1997.

Sunbeam Corporation Personal Care and Comfort Products Division McMinnville, Tennessee and Sunbeam Corporation Oster Professional Products Division McMinnville, Tennessee; Amended Certification Regarding Eligibility To Apply for NAFTA Transitional Adjustment Assistance

In accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 USC 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on April 10, 1997, applicable to all workers of Sunbeam Corporation, Professional Products Division, in McMinnville, Tennessee. The notice was published in the **Federal Register** on May 9, 1997 (62 FR 25660).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The findings show that worker separations did occur in April, 1997 when production at Sunbeam's Personal Care and Comfort Products Division and Oster Professional Products Division was shifted from the McMinnville, Tennessee location to Mexico City, Mexico. The workers were engaged in the production of clippers and trimmers

for personal and pet use. Accordingly, the Department is amending the certification to cover workers at the subject firm's Personal Care and Comfort Products Division. The Department is also amending the name and number for the Professional Products Division of Sunbeam Corporation in McMinnville, Tennessee to specify the Oster Professional Products Division and NAFTA-01511A instead of NAFTA-01511.

The intent of the Department's certification is to include all workers of Sunbeam Corporation who were adversely affected by imports from Mexico.

The amended notice applicable to NAFTA-01511 is hereby issued as follows:

All workers of Sunbeam Corporation, Personal Care and Comfort Products Division, McMinnville, Tennessee (NAFTA-01511) and Sunbeam Corporation, Oster Professional Products Division, McMinnville, Tennessee (NAFTA-01511A) who became totally or partially separated from employment on or after February 10, 1996 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, D.C. this 12th day of May, 1997.

Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.
