I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the services to the Government.
2. The action does not appear to have a severe economic impact on current contractors for the services.
3. The action will result in authorizing small entities to furnish the services to the Government.
4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the services proposed for addition to the Procurement List. ## COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

### Procurement List; Additions

**AGENCY:** Committee for Purchase From People Who Are Blind or Severely Disabled.

**ACTION:** Additions to the Procurement List.

**SUMMARY:** This action adds to the Procurement List commodities and services to be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities.

**EFFECTIVE DATE:** June 30, 1997.

**ADDRESS:** Committee for Purchase From People Who Are Blind or Severely Disabled, Crystal Square 3, Suite 403, 1735 Jefferson Davis Highway, Arlington, VA 22202-3461.

**FOR FURTHER INFORMATION CONTACT:** Beverly Milkman (703) 603-7740.

**SUPPLEMENTARY INFORMATION:** On March 7, 17, 21 and April 4, 1997, the Committee for Purchase From People Who Are Blind or Severely Disabled published notices (62 F.R. 10519, 12596, 13591 and 16135) of proposed additions to the Procurement List.

*The following comments pertain to Janitorial/Custodial, Veterans Center, Roanoke, VA.* Comments were received from the previous contractor in response to a request for sales data. The contractor declined to provide the data, and claimed that it would be severely impacted by the addition of this service to the Procurement List. The contractor indicated that two of its eight janitorial employees would be discharged as a result of the Committee's actions. The contractor questioned the capability of people who are blind or have other severe disabilities to perform the janitorial service. The contractor also claimed that veterans in the facility are easily distressed and would not react well to a new contractor.

The nonprofit agency is currently performing the service, and no problems have been experienced in dealing with the veterans at the facility, which is a small outpatient counseling center. The service is projected to require only 260 hours of direct labor a year, so its addition to the Procurement List could not be the cause for the contractor
