SUPPLEMENTARY INFORMATION: This notice is published pursuant to 41 U.S.C. 47(a)(2) and 41 CFR 51-2.3. Its purpose is to provide interested persons an opportunity to submit comments on the possible impact of the proposed actions.

If the Committee approves the proposed addition, all entities of the Federal Government (except as otherwise indicated) will be required to procure the services listed below from nonprofit agencies employing persons who are blind or have other severe disabilities.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the services to the Government.
2. The action does not appear to have a severe economic impact on current contractors for the services.
3. The action will result in authorizing small entities to furnish the services to the Government.
4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the services proposed for addition to the Procurement List. Comments on this certification are invited. Commenters should identify the statement(s) underlying the certification on which they are providing additional information.

COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Procurement List; Additions

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Additions to the Procurement List.

SUMMARY: This action adds to the Procurement List commodities and services to be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities.

EFFECTIVE DATE: June 30, 1997.

ADDRESS: Committee for Purchase From People Who Are Blind or Severely Disabled, Crystal Square 3, Suite 403, 1735 Jefferson Davis Highway, Arlington, VA 22202-3461.

FOR FURTHER INFORMATION CONTACT: Beverly Milkman (703) 603-7740.

SUPPLEMENTARY INFORMATION: On March 7, 17, 21 and April 4, 1997, the Committee for Purchase From People Who Are Blind or Severely Disabled published notices (62 F.R. 10519, 12596, 13591 and 16135) of proposed additions to the Procurement List.

The following comments pertain to Janitorial/Custodial, Veterans Center, Roanoke, VA. Comments were received from the previous contractor in response to a request for sales data. The contractor declined to provide the data, and claimed that it would be severely impacted by the addition of this service to the Procurement List. The contractor indicated that two of its eight janitorial employees would be discharged as a result of the Committee's actions. The contractor questioned the capability of people who are blind or have other severe disabilities to perform the janitorial service. The contractor also claimed that veterans in the facility are easily distressed and would not react well to a new contractor.

The nonprofit agency is currently performing the service, and no problems have been experienced in dealing with the veterans at the facility, which is a small outpatient counseling center. The service is projected to require only 260 hours of direct labor a year, so its addition to the Procurement List could not be the cause for the contractor

discharging two employees. The nonprofit agency successfully performs several other janitorial contracts using people with severe disabilities, and the Government contracting activity waived its opportunity to assess the agency's capability before the service was added to the Procurement List. No blind persons will be involved in cleaning this facility. The Government pays a very small price for the service. While the contractor's refusal to provide sales data prevents the Committee from determining precisely the impact this Procurement List addition will have on the company, the Committee does not believe the impact will be severe, for the reasons just stated.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the commodities and services and impact of the additions on the current or most recent contractors, the Committee has determined that the commodities and services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the commodities and services to the Government.
2. The action will not have a severe economic impact on current contractors for the commodities and services.
3. The action will result in authorizing small entities to furnish the commodities and services to the Government.
4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the commodities and services proposed for addition to the Procurement List.

Accordingly, the following commodities and services are hereby added to the Procurement List:

Commodities

7045-01-354-3517

Beverly L. Milkman,

Frozen Concentrated Orange Juice From Brazil: Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Final Results of Antidumping Duty Administrative Review.

SUMMARY: On February 6, 1997, the Department of Commerce published the preliminary results of its administrative review of the antidumping duty order on frozen concentrated orange juice (FCOJ) from Brazil. This review covers exports of the subject merchandise to the United States by Branco Peres Citrus S.A. (Branco Peres). The period of review (POR) is May 1, 1995 through April 30, 1996. This is the ninth period of review.

Based on our analysis of the comments received, we have not changed the preliminary results. The review indicates that there is no dumping margin for the above producer/exporter during this POR.

EFFECTIVE DATE: May 30, 1997.

FOR FURTHER INFORMATION CONTACT: Fabian Rivelis or Irina Itkin, Office of AD/CVD Enforcement, Group II, Import Administration-Room B099, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-3853 or (202) 482-0656, respectively.

SUPPLEMENTARY INFORMATION:

The Applicable Statute

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 by the Uruguay Rounds Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to the current regulations, as amended by the interim regulations published in the **Federal Register** on May 11, 1995 (60 FR 25130).

Background

On February 6, 1997, the Department of Commerce (the Department) published in the **Federal Register** the preliminary results of its administrative review of the Antidumping Duty Order on FCOJ from Brazil (62 FR 5588). The Department has now completed that administrative review in accordance with § 751 of the Tariff Act of 1930, as amended (the Act).

Scope of the Review

Imports covered by this review are shipments of FCOJ from Brazil. This merchandise is currently classifiable under *Harmonized Tariff Schedule of the United States* (HTSUS) subheading 2009.11.00. Although the HTSUS subheading is provided for convenience and Customs purposes, our written description of the scope of this proceeding is dispositive. The POR is May 1, 1995 through April 30, 1996.

Analysis of Comments Received

We gave interested parties an opportunity to comment on the preliminary results. We received comments only from Branco Peres.

Comment 1: Revocation of Antidumping Duty Order—In its Notice of Preliminary Results, the Department stated that it was not publishing a Notice of Intent to Revoke for Branco Peres because Branco Peres had not demonstrated that it sold subject merchandise at not less than normal value for three consecutive periods of review, in part because the respondent withdrew its request for review for the previous review period. Branco Peres argues that this rationale is incorrect. Branco Peres asserts that the Department's existing regulations for revocation do not require that there be sales at not less than normal value for three consecutive administrative periods of review, only that the Secretary must conclude that the exporter has "sold the merchandise at not less than foreign market value for a period of three consecutive years." 19
