

turbine meter at its Winchester Meter Station authorized in blanket certificate issued in Docket No. CP82-480-000, all as more fully set forth in the request on file with the Commission and open to public inspection.

ANR states that the purpose of the exchange is to obtain more efficient use of its facilities at the two meter stations. The exchange of meters will cost approximately \$21,400.00. The proposed annual quantities of natural gas to be delivered at these stations are expected to be unaffected by the exchange of the turbine meters.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request. If no protest is filed within the allowed time, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the NGA.

[Docket No. CP97-606-000]

**Columbia Gas Transmission Corporation; Notice of Request Under Blanket Authorization**

July 2, 1997.

Take notice that on June 26, 1997, Columbia Gas Transmission Corporation (Applicant), 1700 MacCorkle Avenue, SE., Charleston, West Virginia 25314-

1599, filed in Docket No. CP97-606-000 a request pursuant to Sections 157.205 and 157.211 of the Commission's Regulations under the Natural Gas Act for authorization to construct and operate the facilities necessary to establish six additional points of delivery to existing customers for firm transportation service, under its blanket certificate issued in Docket No. CP83-76-000,<sup>1</sup> all as more fully set forth in the request for authorization on file with the Commission and open for public inspection.

Applicant requests authorization to construct and operate the necessary facilities to establish six new points of delivery for firm transportation service under Part 284 of the Commission's regulations and existing authorized Rate Schedules and within certificated entitlements, as follows:

Customer	Residential	Estimated daily quantity (dth)	Estimated annual quantity (dth)
Columbia Gas of Ohio, Inc. (COH) .....	1	1.5	150
Mountaineer Gas Company (MGC) .....	5	7.5	750

Applicant states the quantities to be provided through the new delivery points will be within Applicant's authorized level of services. Therefore, there is no impact on Applicant's existing design day and annual obligations to the customers as a result of the construction and operation of the new points of delivery for firm transportation service. Applicant estimates the cost to install the new taps to be approximately \$150 per tap. Applicant states it will comply with all of the environmental requirements of Section 157.206(d) of the Commission's regulations prior to the construction of any facilities.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request

shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
