

solution. This notice increases the amount retained to meet the funding needs of imminent threat applications to \$2,450,000. Further, the amounts allocated to the Area Offices of Native American Programs for single purpose grant funding have been proportionately reduced to reflect the increase in the retained amount.

**DATES:** This notice does not affect the deadline date provided in the June 6, 1997 NOFA. Applications must still be received by the appropriate Area ONAP of the HUD Office of Native American Programs no later than 3:00 p.m. (local time) on Friday, July 25, 1997.

**FOR FURTHER INFORMATION CONTACT:** Robert Barth, Office of Native American Programs, Office of Public and Indian Housing, Department of Housing and Urban Development, P.O. Box 36003, 450 Golden Gate Avenue, San Francisco, CA 94102; telephone (415) 436-8122 (this is not a toll-free number). Hearing or speech-impaired individuals may access this number via TTY by calling the toll-free Federal Information Relay Service at 1-800-877-8339.

**SUPPLEMENTARY INFORMATION:** On April 11, 1997 (62 FR 17976), HUD published a notice announcing the availability of \$67,453,491 in Fiscal Year (FY) 1997 funds for the Community Development Block Grant Program for Indian Tribes and Alaska native Villages (the ICDBG Program). The primary objective of the ICDBG Program is the development of viable Indian and Alaskan native communities, including decent housing, a suitable living environment, and economic opportunities principally for persons of low- and moderate-income. In the body of the April 11, 1997 Notice of Funding Availability (NOFA) is information concerning the following: (1) The purpose of the NOFA; (2) eligible applicants and activities; (3) available funding amounts; (4) application submission requirements; (5) the selection criteria; and (6) how applicants will be notified of results.

The April 11, 1997 NOFA announced that \$2 million of the available FY 1997 ICDBG Program funds would be retained to alleviate or remove imminent threats to health and safety that require an immediate solution. Given the unusually severe weather conditions experienced by Indian tribes in the upper Midwest last winter and spring, requests for imminent threat assistance resulting from these conditions have substantially exceeded earlier estimates based on historical experience.

In order to have funds available for the possibility of additional imminent

threat requests prior to the availability of FY 1998 ICDBG Program funds, HUD is increasing the amount retained under the FY 1997 NOFA from \$2,000,000 to \$2,450,000. The amounts allocated to the HUD Area Offices of Native American Programs for single purpose grant funding have been proportionately reduced to reflect the increase in the retained imminent threat amount.

Accordingly, FR Doc. 97-9307, the Community Development Block Grant Program for Indian Tribes and Alaska Native Villages Fiscal Year 1997 Notice of Funding Availability, published in the **Federal Register** on April 11, 1997 (62 FR 17976), is amended as follows:

1. On page 17978, first and middle columns, under Section III, paragraphs (a)(2) and (a)(4)(i), are revised to read as follows:

### III. Funding and Eligibility

(a) \* \* \*

(2) *Allocations.* The requirements for allocating funds to Area ONAPs responsible for program administration are found at 24 CFR 953.101. Following these requirements, the allocations for FY 1997 are as follows:

Eastern/Woodlands—\$5,146,792  
Southern Plains—\$12,168,709  
Northern Plains—\$10,264,775  
Southwest—\$27,990,710  
Northwest—\$3,932,269  
Alaska—\$5,500,236  
Total—\$65,003,491

The total allocation includes \$453,491 in unused funds from the amount reserved by the Assistant Secretary in Fiscal Year 1996 for imminent threat grants. As indicated in Section III.(a)(4) below, \$2,450,000 will be retained to fund imminent threat grants."

\* \* \* \* \*

(4) *Imminent Threats.* (i) The criteria for grants to alleviate or remove imminent threats to health or safety that require an immediate solution are described at 24 CFR part 953, subpart E. Please note that the problem to be addressed must be such that an emergency situation would exist if it were not addressed. In accordance with the provisions of 24 CFR part 953, subpart E, \$2,450,000 will be retained to meet the funding needs of imminent threat applications submitted to any of the Area ONAPs. The grant ceiling for imminent threat applications for FY 1997 is \$ 350,000. This ceiling is established pursuant to the provisions of § 953.400(c).
