This information is used by the diet counselor to assess adequacy and make recommendations for changes in intake in compliance with a prescribed diet. This assessment is required by the Joint Commission on Accreditation of Healthcare Organizations. The information is used within individual military hospital settings only.

Affected Public: Individual patients referred to Nutritional Medicine Flight for dietary counseling.

Annual Burden Hours: 22,500.

Number of Respondents: 90,000.

Responses per Respondent: 1.

Average Burden per Respondent: 15 minutes.

Frequency: Upon referral to Nutritional Medicine for diet counseling.

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

Respondents are medical beneficiaries referred for nutrition counseling. Information is requested from these individuals to determine their usual daily food intake and exercise patterns. The diet counselor assesses this information and determines adequacy of the diet, as well as conformance of the usual diet with prescribed dietary

guidelines. Every patient's dietary habits are assessed upon referral.
