BILLING CODE 5000-04-F

DEPARTMENT OF TRANSPORTATION

Coast Guard

33 CFR Part 165

[CGD01-97-071]

RIN 2121-AA97

Safety Zone: New York Super Boat Race, New York

AGENCY: Coast Guard, DOT.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to establish a temporary safety zone in the lower Hudson River, for the New York Super Boat Race. The proposed safety zone would restrict vessel traffic in the Lower Hudson River between Battery Park and Pier 76 in Manhattan.

DATES: Comments must be received on or before September 2, 1997. The temporary safety zone would be in effect on Sunday, September 7, 1997, from 12 p.m. until 4 p.m.

ADDRESSES: Comments should be mailed to Lieutenant Junior Grade Dave Gefell, Waterways Oversight Branch, Coast Guard Activities New York, 212 Coast Guard Drive, Staten Island, New York 10305.

FOR FURTHER INFORMATION CONTACT: Lieutenant Junior Grade Dave Gefell, Waterways Oversight Branch, Coast Guard Activities New York, (718) 354-4195.

SUPPLEMENTARY INFORMATION:

Request for Comments

The Coast Guard encourages interested persons to participate in this rulemaking by submitting written data, views, or arguments.

Persons submitting comments should include their names and addresses, identify this notice (CGD01-97-071) and the specific section of the proposal to which their comments apply, and give reasons for each comment. Persons wanting acknowledgement of receipt of

comments should enclose a stamped, self-addressed postcard or envelope.

The Coast Guard will consider all comments received during the comment period. It may change this proposal in view of the comments. The Coast Guard plans no public hearing; however, persons may request a public hearing by writing to the Waterways Oversight Branch at the address under **ADDRESSES**. If it is determined that the opportunity for oral presentations will aid this rulemaking, the Coast Guard will hold a public hearing at a time and place announced by a later notice in the **Federal Register**.

Background and Purpose

Super Boat International Productions, Inc. has submitted an Application for Approval of Marine Event for a Super Boat Race in the waters of the Lower Hudson River. This regulation would establish a temporary safety zone in the waters of the Lower Hudson River south of a line drawn from pier 76 in Manhattan and a point in Weehawken, New Jersey at 40°45'52"N latitude, 074°01'01"W longitude, and north of a line connecting the following points:

Latitude	Longitude
40°42'16.0" N	074°01'09.0" W, then south to
40°41'55.0" N	074°01'16.0" W, then west to
40°41'47.0" N	074°01'36.0" W, then north-
	west to
40°41'55.0" N	074°01'59.0" W, then to shore
	at
40°42'20.5" N	074°02'06.0" W

The safety zone would be effective on Sunday, September 7, 1997, from 12 p.m. until 4 p.m. This safety zone would restrict vessel traffic in the Lower Hudson River south of a line drawn from Pier 76 in Manhattan to a point located directly opposite on the New Jersey shoreline and north of a line drawn between Battery Park in Manhattan and the southern most point of Ellis Island in the Upper New York Bay. This safety zone is needed to protect mariners from the hazards associated with a boat race in which the participants transit at excessive speeds.

This event will include up to 40 powerboats, 24 to 50 feet in length, racing on an 8 mile oval course at speeds in excess of 100 mph. No more than 100 spectator craft are expected for the event.

Regulatory Evaluation

This proposal is not a significant regulatory action under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that order. It has been exempted from review by the Office of Management and Budget under that order. It is not

significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979). The Coast Guard expects the economic impact of this proposal to be so minimal that a full Regulatory Evaluation under paragraph 10(e) of the regulatory policies and procedures of DOT is unnecessary. Although this regulation would prevent traffic from transiting this area, the effect of this regulation would not be significant for several reasons: The volume of commercial vessel traffic transiting the Lower Hudson River on a Sunday is less than half of the normal daily traffic volume; pleasure craft desiring to view the event will be directed to designated spectator viewing areas outside the safety zone; pleasure craft can take an alternate route through the East River and the Harlem River; the duration of the event is limited to four hours; the extensive advisories which will be made to the affected maritime community by Local Notice to Mariners, Safety Voice Broadcast, and facsimile notification.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), the Coast Guard must consider whether this proposal will have a significant economic impact on a substantial number of small entities. "Small entities" include independently owned and operated small businesses that are not dominant in their field and that otherwise qualify as "small business concerns" under section 3 of the Small Business Act (21 U.S.C. 632).

For reasons set forth in the above Regulatory Evaluation, the Coast Guard expects the impact of this proposal to be minimal. The Coast Guard certifies under 5 U.S.C. 605(b) that this proposal will not have a significant economic impact on a substantial number of small entities. If, however, you think that your business or organization qualifies as a small entity and that this rule will have significant economic impact on your business or organization, please submit a comment explaining why you think it qualifies and in what way and to what degree this rule will economically affect it.

Collection of Information

This proposal contains no collection of information requirements under the Paperwork Reduction Act (44 U.S.C. 3501-3520).

Federalism

The Coast Guard has analyzed this action in accordance with the principles and criteria contained in Executive

Order 12612 and has determined that this proposal does not raise sufficient federalism implications to warrant the preparation of a Federalism Assessment.

Environment

The Coast Guard has considered the environmental impact of this proposal and concluded that under section 2.B.2.e. of Commandant Instruction M16475.1B, it is categorically excluded from further environmental documentation. A Categorical Exclusion Determination and Environmental Analysis Checklist is included in the docket.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

Proposed Regulations

For reasons set out in the preamble, the Coast Guard proposes to amend 33 CFR part 165 as follows:

PART 165—[AMENDED]

1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05-1(g), 6.04-1, 6.04-6, and 160.5; 49 CFR 1.46.

2. A temporary § 165.T01-072, is added to read as follows:

§ 165.T01-072 Safety Zone; New York Super Boat Race, Hudson River, New York and New Jersey.

(a) *Location.* The following area is a safety zone: All waters of the Lower Hudson River between Pier 76 in Manhattan and a point on the New Jersey shore in Weehawken, New Jersey at 40°45'52" N latitude, 074°01'01" W longitude and north of a line connecting the following points:

Latitude	Longitude
40°42'16.0" N	074°01'09.0" W, then south to
40°41'55.0" N	074°01'16.0" W, then west to
40°41'47.0" N	074°01'36.0" W, then north-
	west to
40°41'55.0" N	074°01'59.0" W, then to shore
	at
40°42'20.5" N	074°02'06.0" W

(b) *Effective period.* This safety zone would be in effect on Sunday, September 7, 1997, from 12 p.m. until 4 p.m.

(c) *Regulations.* (1) The general regulations contained in 33 CFR 165.23 apply.

(2) All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or the designated on scene patrol personnel. U.S. Coast Guard patrol personnel

include commissioned, warrant, and petty officers of the Coast Guard. Upon being hailed by a U.S. Coast Guard vessel via siren, radio, flashing light, or other means, the operator of a vessel shall proceed as directed.

Dated: July 20, 1997.

Richard C. Vlaun,

Captain, U.S. Coast Guard, Captain of the Port, New York.

[ME47-01-7002b; A-1-FRL-5867-7]

Approval and Promulgation of Air Quality Implementation Plans; Maine; (Hancock and Waldo Counties Ozone Maintenance Plan Revision—Motor Vehicle Emissions Budgets)

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA is proposing to approve a State Implementation Plan (SIP) revision submitted by the State of Maine. This revision establishes explicit year 2006 motor vehicle emissions budgets [Volatile Organic Compounds (VOC) and Nitrogen Oxides (NO_x)] for the Hancock and Waldo counties ozone maintenance area to be used in determining transportation conformity. In the final rules section of this **Federal Register**, EPA is approving the State's SIP revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial revision and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to that direct final rule, no further activity is contemplated in relation to this proposed rule. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period on this proposal. Any parties interested in commenting on this proposal should do so at this time.

DATES: Comments must be received on or before September 2, 1997.

ADDRESSES: Comments may be mailed to Susan Studlien, Deputy Director, Office of Ecosystem Protection (mail code CAA), U.S. Environmental Protection Agency, Region I, JFK Federal Bldg.,

Boston, MA 02203. Copies of the State submittal and EPA's technical support document are available for public inspection during normal business hours, by appointment at the Office of Ecosystem Protection, U.S. Environmental Protection Agency, Region I, One Congress Street, 11th floor, Boston, MA and the Bureau of Air Quality Control, Department of Environmental Protection, 71 Hospital Street, Augusta, ME 04333.

FOR FURTHER INFORMATION CONTACT:

Donald O. Cooke, (617) 565-3508.

SUPPLEMENTARY INFORMATION: For additional information, see the direct final rule which is located in the rules section of this **Federal Register**.

Authority: 42 U.S.C. 7401-7671q.

Dated: July 20, 1997.

Approval and Promulgation of Revisions to North Carolina SIP Involving Open Burning and Other Miscellaneous Rules

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: On August 16, 1996, North Carolina submitted, through the Department of Environment, Health, and Natural Resources, revisions to the North Carolina State Implementation Plan (SIP) involving the adoption of open burning rules and also the amending of many other miscellaneous regulations. In the final rules section of this **Federal Register**, the EPA is approving the revision as a direct final rule without prior proposal because the EPA views this as a noncontroversial revision amendment and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to that direct final rule no further activity is contemplated in relation to this proposed rule. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments will be addressed in a subsequent final rule based on this proposed rule. The EPA will not institute a second comment period on
