

application should on or before August 5, 1997 file with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR. 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the Protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Panhandle to appear or be represented at the hearing

Williams Natural Gas Company; Notice of Proposed Changes in FERC Gas Tariff

July 29, 1997.

Take notice that on July 23, 1997, Williams Natural Gas Company (WNG) tendered for filing to become part of its FERC Gas Tariff, Second Revised Volume No. 1, Second Substitute Third Revised Sheet No. 254. The proposed effective date of this tariff sheet is May 1, 1997.

WNG states that it made a filing on April 1, 1997 and a compliance filing on May 15, 1997 to amend Article 14 of the General Terms and Conditions of WNG's FERC Gas Tariff to provide for the extension of WNG's pricing differential mechanism (PDM) until October 1, 1999. By order issued July 21, 1997, the Commission approved the extension until October 1, 1998, and directed WNG to file a revised tariff sheet within 10 days of the issuance of the order. The instant filing is being made in compliance with the order.

WNG states that a copy of its filing was served on all participants listed on the service lists maintained by the Commission in the dockets referenced above and on all of WNG's jurisdictional customers and interested state commissions.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of

the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

[Docket No. CP97-639-000]

Williston Basin Interstate Pipeline Company; Notice of Application

July 29, 1997.

Take notice that on July 15, 1997, Williston Basin Interstate Pipeline Company (Williston Basin), 200 North Third Street, Suite 300, Bismarck, North Dakota 58501, filed in Docket No. CP97-639-000, an application for a certificate of public convenience and necessity, pursuant to Section 7(c) of the Natural Gas Act (NGA) and Part 157 of the Federal Energy Regulatory Commission's (Commission) Regulations, requesting authority to change capacities at certain receipt and delivery points, all as more fully set forth in the application on file with the Commission and open to public inspection.

Specifically, Williston Basin seeks authorization to increase or decrease capacities at certain receipt and delivery points listed on Williston Basin's Master Receipt/Delivery Point List which was filed as part of this FERC Gas Tariff, Second Revised Volume No. 1 in Docket Nos. RS92-13-000, *et al.* The Master Receipt/Delivery Point List specifies the maximum daily capacity for each of Williston Basin's delivery and receipt points. Williston Basin states that the proposed changes are the result of a reevaluation of the assumptions used for: meter inlet pressures; filtering device differential pressures; regulator selection; regulation inlet pressures; and maximum and minimum allowable distribution pressures. Williston Basin states that there will be no costs associated with the restatement of the maximum receipt and/or delivery capacities.

Any person desiring to be heard or to make any protest with reference to said application should on or before August 19, 1997, file with the Federal Energy

Regulatory Commission, 888 First Street, N.E. Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Williston Basin to appear or be represented at the hearing.
