[Docket No. FR-4181-N-03]

Announcement of Funding Awards for Fiscal Year 1997 Public and Indian Housing Drug Elimination Program; Center for Community Change; Public Housing Graduates Program, and One Church-One Addict Program

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Announcement of funding awards.

SUMMARY: In accordance with Section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989, this document notifies the public of funding awards for Fiscal Year (FY 1997) to the Center for Community Change to administer the Public Housing Graduates Program at four select sites at the District of Columbia Housing Authority and the One Church-One Addict to administer the One Church-One Addict Program at select sites at four housing authorities: Chicago, Illinois, St. Louis, Missouri, Port Arthur, Texas, and Tampa, Florida. **FOR FURTHER INFORMATION CONTACT:** Sonia Burgos, Director, Office of Crime Prevention and Security, Office of Public and Indian Housing, Room 4220, Department of Housing and Urban Development, 451 7th Street, S.W., Washington, D.C. 20410, telephone (202) 708-0477. Hearing- or speech-impaired individuals may call HUD's TTY number (202)708-4594. (These telephone numbers are not toll-free).

SUPPLEMENTARY INFORMATION: The regulations governing the Public Housing Drug Elimination Program grants are authorized under Chapter 2, Subtitle C, Title V of the Anti-Drug Abuse Act of 1988 (42 U.S.C. 11901 *et. seq.*), as amended by section 581 of the National Affordable Housing Act of 1990 (NAHA) approved November 28, 1990, Pub. L. 101-625, and section 161 of the Housing and Community Development Act of 1992 (HCDA 1992) (Pub. L. 102-550, Approved October 28, 1992).

The Public Housing Graduates Program is designed to provide technical assistance and training to influence teenage students who reside in public housing to remain in school and out of trouble until they graduate, and then, register in college or a career-preparatory program.

The goal of the Public Housing Graduates Program is to fashion and implement a surrogating initiative that can provide a low-income dependency prone youth who does not have the essential support of an intact family the assistance needed to remain in school until he/she graduates and, then, with strategic assistance, enlist in college or a career-preparation program. As a consequence, this surrogating will produce the long-term poverty-cycle-breaking self-sufficiency benefits ordinarily experienced by teenagers who are fortunate to have been born into intact families. This surrogating will be provided primarily by volunteers and organizations whose memberships have begun searching for ways to appropriate personal resources to reduce the losses of minority teenagers.

The One Church-One Addict Program will provide technical assistance and training at four housing authority sites, utilizing faith communities as partners with housing authorities to provide a spiritually based aftercare program for recovering addicts in public housing. The program aims to mobilize and equip faith communities with skills to prevent recovering drug addicts from relapsing into substance abuse, and increase the levels of social, moral and practical support around elimination of the drug problem. It involves partnerships among housing authorities and the Addictions Studies Program in the College of Health Professions at Governors State University. Governors State University will partner with One Church-One Addict as the training contractor. Each participating housing authority will have a local partner (a drug and alcohol agency, a faith community, or other not-for-profit agency concerned in the issue of drug and alcohol abuse).

The goal of the One Church-One Addict Program is to provide training that will equip 300 faith communities with skills to become partners with public housing authorities in the battle to reduce substance abuse and relapse among public housing residents.

The Catalog of Federal Domestic Assistance number is 14.854.

A total of \$1,600,000 of budget authority for technical assistance and training was awarded to the Center for Community Change and \$500,000 to the One Church-One Addict in Fiscal Year 1997, in accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (103 Stat. 1987, 42 U.S.C. 3545).

Dated: July 31, 1997.

Kevin Emanuel Marchman,

Acting Assistant Secretary for Public and Indian Housing.
