

(1) The cash deposit rate for NHCI will be zero percent; (2) for manufacturers or exporters other than NHCI that were covered in the original less-than-fair-value investigation or a previous review, the cash deposit rate will continue to be the most recent rate published in the final determination or final results for which the manufacturer or exporter received a company-specific rate; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 21 percent, the "all others" rate established in Pure Magnesium From Canada; Amendment of Final Determination of Sales At Less Than Fair Value and Order in Accordance With Decision on Remand, 58 FR 62643, November 29, 1993.

This notice also serves as a final reminder to importers of their responsibility under 19 C.F.R. 353.26 (1997) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 C.F.R. 353.34(d) (1997). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This administrative review and notice are in accordance with section 751(a)(1) of the Tariff Act (19 U.S.C. 1675(a)(1)) and 19 C.F.R. 353.22 (1997).

Dated: August 5, 1997.

Robert S. LaRussa,

Assistant Secretary for Import Administration.

Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, From the People's Republic of China: Initiation of New Shipper Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce has received a request to conduct a new shipper administrative review of the antidumping duty order on tapered roller bearings and parts thereof, finished and unfinished, from the People's Republic of China. In accordance with 19 CFR 353.22(h), we are initiating this administrative review.

EFFECTIVE DATE: August 14, 1997.

FOR FURTHER INFORMATION CONTACT: Jennifer Yeske or Zak Smith, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone (202) 482-0189 or 482-1279, respectively.

Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to the "interim" regulations published in the **Federal Register**, May 11, 1995 (60 FR 25133).

SUPPLEMENTARY INFORMATION:

Background

On May 30, 1997, the Department of Commerce ("the Department") received a timely request from Changshan Bearing Factory ("Changshan"), in accordance with 19 CFR 353.22(h), for a new shipper review of the antidumping duty order on tapered roller bearings ("TRBs") from the People's Republic of China ("PRC") which has a June anniversary date. Changshan has certified that it did not export tapered roller bearings to the U.S. during the period of investigation (POI) and that it is not affiliated with any exporter or producer which did export tapered roller bearings during the POI. This certification is in accordance with section 751(a)(2)(B)) of the Tariff Act of 1930 as amended, and 19 CFR

353.22(h). In addition, Changshan has certified that it is not controlled by the government of the PRC. Therefore, we are initiating the new shipper review as requested. It is the Department's usual practice with non-market economies to require information regarding *de jure* and *de facto* government control over a company's export activities to establish its eligibility for an antidumping duty rate separate from the country-wide rate. Accordingly we will issue a separate rates questionnaire to Changshan and seek additional information from the PRC government (as appropriate), allowing 30 days for response. If the responses from Changshan and the PRC government indicate adequately that Changshan is not subject to either *de jure* or *de facto* government control with respect to its exports of tapered roller bearings, the review will proceed. If, on the other hand, Changshan does not demonstrate its eligibility for a separate rate, Changshan will be deemed to be affiliated with other companies that exported during the POI that did not establish their entitlement to a separate rate, and the review will be terminated.

Initiation of Review

In accordance with section 751(a)(2)(B)(ii) of the Act and 19 CFR 353.22(h)(6), we are initiating a new shipper review of the antidumping duty order on tapered roller bearings from the PRC. Changshan has agreed to waive the time limits of 19 CFR 353.22(h)(7), in order that the Department may conduct this review concurrent with the administrative review of this order for the period 6/1/96-5/31/97 as requested pursuant to section 751(a) of the Act. See, Antidumping Duties, Countervailing Duties; Final rule, 62 FR 27295, 27395 (5/19/97). Therefore, we intend to issue the final results of review not later than 365 days after the last day of the anniversary month. In accordance with our practice, all other provisions of section 353.22(h) will apply to Changshan throughout the duration of this new shipper review. See *Id.*

Antidumping duty proceeding	Period to be reviewed
PRC: Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, A-570-601: Changshan Bearing Factory	06/01/96-05/31/97

We will instruct the U.S. Customs Service to allow, at the option of the importer, the posting, until the completion of the review, of a bond or

security in lieu of a cash deposit for each entry of the merchandise exported by the above listed company, in accordance with 19 CFR 353.22(h)(4).

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 353.34(b).

This initiation and this notice are in accordance with section 751(a) of the Act (19 U.S.C. 1675(a)) and 19 CFR 353.22(h).

Dated: August 8, 1997.

Richard W. Moreland,

Acting Deputy Assistant Secretary, Office of AD/CVD Enforcement.
