## DEPARTMENT OF STATE

[Public Notice # 2578]

### Advisory Committee on International Communications and Information Policy; Public Meeting

The Department of State is holding the next meeting of its Advisory Committee on International Communications and Information Policy. The Committee was renewed in 1996, in order to continue to provide a formal channel for regular consultation and coordination on major economic, social and legal issues and problems in international communications and information policy, especially as these issues and problems involve users of information and communication services, providers of such services, technology research and development, foreign industrial and regulatory policy, the activities of international organizations with regard to communications and information, and developing country interests.

The 30-person committee was appointed by Ambassador Vonya B. McCann, United States Coordinator for International Communications and Information Policy, U.S. Department of State, and serves under the Chairmanship of Ed Black, President, Computer & Communications Industry Association.

The purpose of this meeting will be to hear reports from the working groups on various issues that chart the future direction and work plan of the committee. The members will look at the substantive issues on which the committee should focus, as well as specific countries and regions of interest to the committee.

This meeting will be held on Thursday, September 4, 1997, from 9:30 a.m.-12:30 p.m. in Room 1107 of the Main Building of the U.S. Department of State, located at 2201 "C" Street, N.W., Washington, D.C. 20520. Members of

the public may attend these meetings up to the seating capacity of the room. While the meeting is open to the public, admittance to the State Department Building is only by means of a pre-arranged clearance list. In order to be placed on the preclearance list, please provide your name, title, company, social security number, date of birth, and citizenship to Shirlett Brewer at (202) 647-5233 or by fax at (202) 647-5957. All attendees must use the "C" Street entrance. One of the following valid ID's will be required for admittance: any U.S. driver's license with photo, a passport, or a U.S. Government agency ID.

For further information, contact Timothy C. Finton, Executive Secretary of the Committee, at (202) 647-5385.

Dated: August 1, 1997.

### Federal Aviation Administration

#### Agency Information Collection Activity; Proposed Collection; Comment Request

**AGENCY:** Department of Transportation, Federal Aviation Administration (DOT/FAA).

**ACTION:** Notice.

**SUMMARY:** In compliance with the Paperwork Act (44 U.S.C. 3501 *et seq.*) this notice announces that the information collection request described below has been forwarded to the Office of Management and Budget (OMB) for review and comment. The FAA issued a final rule on Commercial Passenger-Carrying Operations in Single Engine Aircraft under Instrument Flight Rules on July 31, 1997. This notice describes the paperwork burden associated with that rule and allows for a 60-day comment period while the paperwork package is being reviewed by OMB. The following information describes the nature of the information collection and its expected burden.

With respect to the following collection of information, FAA invites comments on: (1) Whether the proposed collection of information is necessary for the proper performance of FAA's functions, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
