#### El Paso Natural Gas Company; Notice of Request Under Blanket Authorization

August 12, 1997.

Take notice that on August 6, 1997, El Paso Natural Gas Company (El Paso), P.O. Box 1492, El Paso, Texas 79978, filed in Docket No. CP97-684-000 a request pursuant to Sections 157.205 and 157.212 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.212) for authorization to upgrade the existing Deming Industrial Park Meter Station, located in Luna County, New Mexico, thereby permitting additional firm deliveries of natural gas to the City of Deming, New Mexico (Deming), under El Paso's certificate issued in Docket No. CP82-435-000, pursuant to Section 7(c) of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

El Paso proposes to upgrade the existing Deming Industrial Park Meter Station, located in Section 7, Township 24 South, Range 8 West, Luna County, New Mexico, by adding one 2-inch O.D. senior orifice meter and modifying the existing EFM for dual run capability. El Paso asserts that it has sufficient mainline peak day capacity to transport and deliver such gas volumes without detriment or disadvantage to El Paso's other customers.

El Paso states that Deming will reimburse them for the costs related to the upgrade of the Deming Industrial Park Meter Station, estimated to be \$17,300, including respective overhead and contingency fees.

of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
