NOFA for Lead-Based Paint Hazard Control in Privately-Owned Housing, Fiscal Year 1997; Notice of Extension of Application Deadline Date Due to United Parcel Service (UPS) Labor Strike

AGENCY: Office of the Secretary—Office of Lead Hazard Control, HUD.

ACTION: Notice of funding availability for FY 1997; extension of application deadline date.

SUMMARY: On June 3, 1997 (62 FR 30380), HUD published a notice announcing the availability of approximately \$50 million for two categories of lead hazard control activities in privately-owned housing. The June 3, 1997 notice of funding availability (NOFA) provided that applications had to be received by HUD no later than 3:00 p.m. (Eastern Time) on August 5, 1997. Due to the United Parcel Service (UPS) labor strike, HUD is retroactively extending the application deadline date to 5:00 p.m. (Eastern Time), August 5, 1997. HUD will also accept late applications which are either postmarked on or contain a receipt of delivery to a private express mail carrier by midnight (Eastern Time) on August 5, 1997. HUD is extending the application due date in order to prevent the unfair rejection of NOFA applications which, although completed on a timely basis, could not be delivered to HUD by the original deadline date due to the UPS strike.

FOR FURTHER INFORMATION CONTACT: For Category A applicants: Ellis G. Goldman, Director, Program Management Division, Office of Lead Hazard Control, Room B-133, 451 Seventh Street, SW., Washington, DC 20410, telephone (202) 755-1785, extension 112 (this is not a toll-free number). For Category B applicants: Melissa F. Shapiro, telephone (202) 755-1785, extension 153 (this is not a toll-free number). For hearing- and speech-impaired persons, the telephone number may be accessed via TTY (text telephone) by calling the toll-free Federal Information Relay Service at 1-800-877-8339.

SUPPLEMENTARY INFORMATION:

On June 3, 1997 (62 FR 30380), HUD published a notice announcing the competition for two categories of grant funding: Category A for approximately \$46 million for a grant program for State and local governments to undertake lead-based paint hazard control in

eligible privately-owned housing units; and Category B for approximately \$4 million for grants to State and local governments for assistance in undertaking lead-based paint hazard control in eligible privately-owned housing units on or near Superfund or "Brownfield" sites.

The June 3, 1997 notice of funding availability (NOFA) provided that applications had to be received by HUD no later than 3:00 p.m. (Eastern Time) on August 5, 1997. Due to the United Parcel Service (UPS) labor strike, HUD is retroactively extending the application deadline date to 5:00 p.m. (Eastern Time), August 5, 1997. HUD will also accept late applications which are either postmarked on or contain a receipt of delivery to a private express mail carrier by midnight (Eastern Time) on August 5, 1997.

HUD is extending the application due date in order to prevent the unfair rejection of NOFA applications which, although completed on a timely basis, could not be delivered to HUD by the original deadline date due to the UPS strike.

Dated: August 11, 1997.
