This draft will form the basis for further discussions and opportunities for input.

**DATES:** To be considered, written comments must be received by October 6, 1997.

**ADDRESSES:** Requests for copies of the current Operations Manual must be made by calling (770) 488-7093. Written comments on the document should be

#### Conversion of CDC Voice/Fax Information Service to Toll Free Access

**AGENCY:** Centers for Disease Control and Prevention (CDC), Department of Health and Human Services.

**ACTION:** Notice.

**SUMMARY:** This notice announces the availability of disease and health risk information by voice and fax as a toll-free service to the public.

**FOR FURTHER INFORMATION CONTACT:** Dottie Knight, Information Resources Management Office, Office of Program Support, Centers for Disease Control and Prevention (CDC), 1600 Clifton Road, NE., Mail/Stop C-04, Atlanta, GA 30333, Telephone: 404-639-2250.

**SUPPLEMENTARY INFORMATION:** Consistent with OMB A-130 circular, Section 8.a.(6)(j), Federal agencies are required to: "Provide adequate notice when initiating, substantially modifying, or terminating significant information dissemination products \* \* \*."

The CDC Voice/Fax Information Service (VIS) allows any caller access to the most current health related information using a touch-tone telephone. The CDC VIS has been in operation for approximately 9 years and in the most recent 12 month period, it has received nearly 1 million telephone

calls, provided automated voice-response information to those callers, and provided 1.5 million pages of automated fax information. Information is provided in several levels of detail and complexity in order to reach a broad audience more effectively including the general public and health care professionals.

During August 1997, the Voice/Fax Information Service (VIS) will be converting to toll-free access for callers to ensure health and prevention information availability to all audiences. Callers will continue to be able to access information via voice-response and fax-on-demand. The new number for information via voice response is 1-888-CDC-FACTS (1-888-232-3228) and 1-888-CDC-FAXX (1-888-232-3299) for information via fax. In the future, CDC will be offering all of the information on health topics via TDD services for the hearing-impaired and several languages. In addition, much of this same information is available through the Internet on CDC's web site at: <http://www.cdc.gov>.

**Reallotment of Funds for FY 1996; Low Income Home Energy Assistance Program (LIHEAP)**

**AGENCY:** Office of Community Services, ACF, DHHS.

**ACTION:** Notice of determination concerning funds available for reallotment.

**SUMMARY:** In accordance with section 2607(b) of the Low Income Home Energy Assistance Act (the Act), Title XXVI of the Omnibus Budget Reconciliation Act of 1981 (42 U.S.C. 8621 *et seq.*), as amended, a notice was published in the **Federal Register** on May 21, 1997 (62 FR 27768) announcing the Secretary's preliminary determination that \$457,022 in Fiscal Year 1996 Low Income Home Energy Assistance Program (LIHEAP) funds may be available for reallotment to other LIHEAP grantees.

We received comments from the Tanana Chiefs Conference, Inc., and the

Association of Village Council Presidents (Alaska) requesting that they be permitted to retain the funds that were in excess of the 10 per cent carryover, and thus, subject to reallotment.

Also under section 2607(b) of the Act, grantees are required to obligate funds available by the end of the fiscal year in which they are appropriated and may carry over no more than 10 per cent of funds available for obligation in the following fiscal year. We are not able to allow grantees to retain funds that were not obligated in a timely fashion and that exceed the 10 per cent carryover limit. HHS does not have the authority to waive the requirements of the Act regarding the reallotment of LIHEAP funds.

The Tanana Chiefs Conference, Inc., also informed HHS that it had \$98,572 in funds for reallotment instead of \$21,184 as originally reported.

In accordance with the requirements of section 2607(2)(C), a revised total of \$534,410 will be reallotted to most current LIHEAP grantees based upon the allocation formula contained in section 2604 of the Act and under the terms of applicable State/Tribe agreements, except that HHS will not issue grants under \$25 because the cost of issuing the grant for that amount is greater than the amount of the grant. These reallotted funds are being distributed by statutory formula to States, Indian Tribes and Tribal organizations, and insular areas that are currently grantees under the LIHEAP program for FY 1997. No other entities may apply for or receive the funds from HHS.

The reallotted funds must be treated by LIHEAP grantees receiving them as an amount appropriated for FY 1997. As FY 1997 funds, they will be subject to all of the requirements of the Act, including section 2607(b)(2), which requires that a grantee must obligate its total block grant allocation for a fiscal year by the end of the fiscal year for which the funds are appropriated, that is, by September 30, 1997.
