

invoice price on all shipments of the subject merchandise from reviewed companies, entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review.

Because the URAA replaced the general rule in favor of a country-wide rate with a general rule in favor of individual rates for investigated and reviewed companies, the procedures for establishing countervailing duty rates, including those for non-reviewed companies, are now essentially the same as those in antidumping cases, except as provided for in section 777A(e)(2)(B) of the Act. The requested review will normally cover only those companies specifically named. See 19 C.F.R. § 355.22(a). Pursuant to 19 C.F.R. § 355.22(g), for all companies for which a review was *not* requested, duties must be assessed at the cash deposit rate, and cash deposits must continue to be collected, at the rate previously ordered. As such, the countervailing duty cash deposit rate applicable to a company can no longer change, except pursuant to a request for a review of that company. See *Federal-Mogul Corporation and The Torrington Company v. United States*, 822 F.Supp. 782 (CIT 1993) and *Floral Trade Council v. United States*, 822 F.Supp. 766 (CIT 1993) (interpreting 19 C.F.R. 353.22(e), the antidumping regulation on automatic assessment, which is identical to 19 C.F.R. 355.22(g)). Therefore, the cash deposit rates for all companies except those covered by this review will be unchanged by the results of this review.

We will instruct Customs to continue to collect cash deposits for non-reviewed companies at the most recent company-specific or country-wide rate applicable to the company. Accordingly, the cash deposit rates that will be applied to non-reviewed companies covered by this order are those established in the most recently completed administrative proceeding, conducted pursuant to the statutory provisions that were in effect prior to the URAA amendments. See 1992/93 Final Results, 61 FR 28842. These rates shall apply to all non-reviewed companies until a review of a company assigned these rates is requested. In addition, for the period January 1, 1995 through December 31, 1995, the assessment rates applicable to all non-reviewed companies covered by this order are the cash deposit rates in effect at the time of entry.

Pig Iron From Brazil; Determination To Revoke Countervailing Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of determination to revoke countervailing duty order.

SUMMARY: The Department of Commerce (the Department) is revoking the countervailing duty order on pig iron from Brazil because it is no longer of interest to interested parties.

EFFECTIVE DATE: September 10, 1997.

FOR FURTHER INFORMATION CONTACT: Russell Morris or Maria MacKay, Office of CVD/AD Enforcement VI, Import

Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone: (202) 482-2786.

Applicable Statute: Unless otherwise indicated, all citations to the statute are references to the provisions of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act effective January 1, 1995 (the "Act"). In addition, unless otherwise indicated, all citations to the Department's regulations are to 19 CFR Part 355 (1996).

SUPPLEMENTARY INFORMATION:

Background

On April 1, 1997, the Department published in the **Federal Register** (62 FR 15463) its intent to revoke the countervailing duty order on pig iron from Brazil (45 FR 23045; April 4, 1980). Additionally, as required by 19 CFR 355.25(d)(4)(ii), the Department served, by certified mail, written notice of its intent to revoke this countervailing duty order on each party listed on its most current service list.

Scope of the Order

The merchandise covered by this order is pig iron of basic, foundry, malleable, and low phosphorous grades from Brazil. Such merchandise is currently classified under item numbers 7201.10.00, 7201.30.00, and 7206.10.00 of the Harmonized Tariff Schedule (HTS). The HTS item numbers are provided for convenience and Customs purposes. The written description remains dispositive.

Determination To Revoke

The Department may revoke a countervailing duty order if it concludes that the order is no longer of interest to interested parties. We conclude that there is no interest in a countervailing duty order when no interested party (as defined in sections 355.2 (i)(3), (i)(4), (i)(5), and (i)(6) of the Department's regulations) has requested an administrative review for at least five consecutive review periods and when no domestic interested party objects to the revocation (19 CFR 355.25(d)(4)(iii)).

We received no requests for administrative review for five consecutive review periods and no objections to our notice of intent to revoke the countervailing duty order. Therefore, we have concluded that the countervailing duty order covering pig iron from Brazil is no longer of interest to interested parties, and we are revoking this countervailing duty order in accordance with 19 CFR 355.25(d)(4)(iii).

Further, as required by 19 CFR 355.25(d)(5), the Department is terminating the suspension of liquidation on the subject merchandise as of the effective date of this notice, and will instruct the Customs Service to liquidate, without regard to countervailing duties, all unliquidated entries of this merchandise exported from Brazil on or after January 1, 1997.

Dated: September 3, 1997.

Principal Deputy Assistant Secretary for Import Administration.
