DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[OR-090-07-6350-00: GP7-0283]

Notice of Intent; Plan Amendment

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of intent to amend Resource Management Plan, Oregon.

SUMMARY: In accordance with 43 CFR 1610.2 and 1610.3, notice is given that

the Bureau of Land Management (BLM) in the State of Oregon, Eugene District, intends to analyze an amendment to the Eugene Resource Management Plan (RMP). The purpose of the plan amendment is to: (1) make available for exchange one 113.70 acre parcel of land in Douglas County, Oregon; (2) make available for disposal three parcels of land containing approximately 10 acres in Lane County, Oregon; and (3) add a provision to allow the disposal of lands without a plan amendment where survey hiatuses and unintentional encroachments on public land are discovered in the future which meet legal disposal criteria. The RMP amendment would facilitate the completion of one land exchange with John Hancock Mutual Life Insurance Company (Hancock), the resolution of two longstanding unauthorized use situations, and the transfer of a parcel to Lane County that has been used by the County as a landfill and solid waste transfer site.

DATES: The BLM is inviting comments to be considered in the preparation of the plan amendment and environmental assessment. Comments may be addressed to the District Manager, Bureau of Land Management, at the address shown below and should be postmarked by October 20, 1997.

ADDRESSES: Detailed information concerning the plan amendment and the proposed land exchange and land disposals it would facilitate is available at the Eugene District Office, P.O. Box 10226 (2890 Chad Drive), Eugene, Oregon 97440.

FOR FURTHER INFORMATION CONTACT: Steve Madsen, Realty Specialist, Eugene District Office, at (541) 683-6948.

SUPPLEMENTARY INFORMATION: The Eugene Resource Management Plan (1995) assigns all lands administered by the Eugene District to one of three Land Tenure Zones. Those lands in Zone 1 are identified for retention and may not be transferred out of Federal ownership by exchange or sale, while those in Zone 2 may be considered for exchange and those in Zone 3 may be considered for sale or exchange. The regulations at 43 CFR 2711.1-1(a) require that no parcel of public land may be offered for sale until it has been specifically identified in an approved land use plan (i.e. assigned to Land Tenure Zone 3).

The parcel of land proposed for exchange to Hancock (as part of a larger transaction) is currently assigned to Land Tenure Zone 1. The plan amendment would assign it to Zone 2. The parcel is described as Lots 1, 2 and 3 of Section 7, Township 19 South, Range 8 West, Willamette Meridian. At
