

land laws, including the mining laws, but not the mineral leasing laws or disposals pursuant to Sections 203 and 209 of FLPMA. The segregation shall terminate upon issuance of a patent or other document of conveyance, upon publication in the **Federal Register** of a Notice of Termination of Segregation, or 270 days from date of this publication, whichever occurs first.

The patent, when issued, will contain the following reservations to the United States:

1. A right-of-way thereon for ditches and canals constructed by the authority of the United States, Act of August 30, 1890, (43 U.S.C. 945).

2. Oil and gas and geothermal resources. A more detailed description of this reservation, which will be included in the patent document, is available for review at the Elko Field Office.

The patent, when issued, will be subject to those rights granted to Elko County, its successors, or assigns, as a holder of a right-of-way grant for an access road. For a period of 45 days from the date of publication in the **Federal Register**, interested parties may submit comments to the Bureau of Land Management, Elko Field Office, 3900 E. Idaho Street, Elko, Nevada 89801. Any adverse comments will be evaluated by the State Director, who may sustain, vacate or modify this realty action and issue a final determination. In the absence of timely filed objections, this realty action will become a final determination of the Department of the Interior.

DEPARTMENT OF JUSTICE

Agency Information Collection Activities: Existing Collection; Comment Request

ACTION: Extension of an existing collection; OMB emergency approval request; Standard Form 95, Claim for Damage, Injury, or Death.

The Department of Justice, Civil Division, Torts Branch, has submitted the following information collection request (ICR), utilizing emergency

review procedures, to the Office of Management and Budget (OMB) for review and clearance in accordance with section 1320.13 (a)(1)(i) and (a)(2)(i) of the Paperwork Reduction Act of 1995. The Civil Division has determined that it cannot reasonably comply with the normal clearance procedures under this Part because normal clearance procedures are reasonably likely to prevent or disrupt the collection of information. This information collection is needed prior to the expiration of established time periods. OMB approval has been requested by October 31, 1997. If granted, the emergency approval is only valid for 180 days. ALL comments and/or questions pertaining to this pending request for emergency approval MUST be directed to OMB, Office of Information and Regulatory Affairs, Attention: Mr. Patrick Boyd, 202-395-5871, Department of Justice Desk Officer, Washington, D.C. 20530.

Comments regarding the emergency submission of this information collection may be forwarded by facsimile to Mr. Boyd at 202-395-7285.

During the first 60 days of this same period, a regular review of this information collection is also being undertaken. During the regular review period, the Civil Division, Torts Branch, requests written comments and suggestions from the public and affected agencies concerning the proposed collection of information. Comments are encouraged and will be accepted until December 5, 1997. During the 60-day regular review ALL comments and suggestions, or questions regarding additional information, to include obtaining a copy of the proposed information collection instrument with instructions, should be directed to Mr. Jeffrey Axelrad, 202-616-4400, Director, Torts Branch, Civil Division, U.S. Department of Justice, P.O. Box 888, Benjamin Franklin Station, Washington, D.C. 20044. Your comments should address one or more of the following four points.

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who
