Atlanta Gas Light Company; Notice of Application

September 30, 1997.

Take notice that on September 25, 1997, Atlanta Gas Light Company (Atlanta) 303 Peachtree Street, N.E., Atlanta, Georgia 30308, filed in Docket No. CP97-772-000 an application pursuant to Section 7(c) of the Natural Gas Act (NGA) and Section 284.224 of the Commission's Regulations, for a limited-jurisdiction blanket certificate of public convenience and necessity authorizing Atlanta to transport natural gas from time to time, all as more fully set forth in the application on file with the Commission and open to public inspection.

Atlanta states that it has recently been approached by parties seeking service this winter and prompt issuance of a blanket certificate will facilitate Atlanta's ability to meet market demand on a timely basis.¹ Atlanta requests waiver of Section 284.224(c)(7), stating that it is not proposing to establish rates at this time. Atlanta indicates that after issuance of the blanket certificate, it will petition the Commission for rate approval for individual transactions in accordance with Section 284.123(b)(2).

Any person desiring to be heard or to make any protest with reference to said application should on or before October 10, 1997, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules

of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to jurisdiction conferred upon the Federal Energy Regulation Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and necessity. If a motion for leave to intervene is timely filed or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Atlanta to appear or be represented at the hearing.

Secretary.
