

Department's regulations are to the current regulations as codified at 19 CFR 353 (1997).

### Background

On May 1, 1997, Amco Metal Industrial Corp. (Amco), requested on behalf of De Ho Metal Industrial Co., Ltd. (De Ho Metal) that the Department conduct an administrative review of the subject merchandise exported by De Ho Metal from Taiwan for the period May 1, 1996 through April 30, 1997.

On June 19, 1997, the Department published in the **Federal Register** (62 FR 33394) a notice of initiation of administrative review with respect to De Ho Metal for the period May 1, 1996 through April 30, 1997. On September 16, 1997, Amco requested that it be allowed to withdraw its request for a review and that the review be terminated.

Pursuant to 19 CFR 353.22(a)(5), the Department may allow a party that requests an administrative review to withdraw such request no later than 90 days after the date of publication of the notice of initiation of the requested review. Because Amco's request for termination was submitted within the 90-day time limit, and there were no requests for review from other interested parties, we are terminating this review for De Ho Metal. See Certain Welded Stainless Steel Pipe from Korea, Termination of Antidumping Duty Administration Review, 62 FR 47460, (September 9, 1997). We will issue appropriate appraisal instructions directly to the U.S. Customs Service.

This notice is in accordance with § 353.22(a)(5) of the Department's regulations (19 CFR 353.22(a)(5)).

Dated: October 10, 1997.
