This Notice also Lists the Following Information:

Title of Proposal: Housing-Condition-Survey of Households Living in Federally-Assisted Units.

OMB Control Number: 2528-0170 (exp. 04/30/98).

Description of the Need for the Information and Proposed Use: HUD recently developed and tested a cost-effective mail survey instrument for assessing the condition of housing units assisted through HUD programs. This survey, which elicits renters' ratings of their housing, provided high response rates and high levels of agreement with independent condition ratings by professional inspectors. HUD plans to implement this survey as an ongoing tool to assess customer ratings of the condition of housing assisted through Federal programs including the Section 8, FHA, and public housing programs. This survey will help HUD focus its monitoring and enforcement resources on property owners and housing authorities whose performance most need improvement. It will also provide policy and program managers with improved measures for tracking national housing conditions over time and across assistance programs.

Agency Form Numbers: None.

Members of the Affected Public: Households residing in Federally-assisted housing, including FHA assisted-housing public housing, or units receiving assistance from the Section 8 Certificate or Vouchers Programs.

Estimation of the Total Number of Hours Needed to Prepare the Information Collection Including Number of Respondents, Frequency of Response, and Hours of Response:

Information will be collected by an annual mail survey of 500,000 of the 4.7 million households who live in housing units assisted through Federal programs. The survey will take approximately 15 minutes to complete. This means a total of 125,000 hours of response time annually for the information collection.

Status of the Proposed Information Collection: Pending submission to the Office of Management and Budget (OMB) for review and clearance.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: October 21, 1997.

Paul A. Leonard,

Deputy Assistant Secretary for Policy Development.
