ACTION: Extension of existing collection: Application for travel document.

The Department of Justice, Immigration and Naturalization Service (INS) has submitted an information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 to provide for the required final 30 days for public review/comment and ample time for OMB's review and final action.

This information collection was previously published in the **Federal Register** on July 7, 1997 at 62 FR 36308, allowing for an emergency extension with a 60-day public comment period. No comments were received by the Immigration and Naturalization Service. Comments are encouraged and will be accepted for an additional "thirty days" until December 3, 1997.

Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the Office of Management and Budget (OMB), Office of Information and Regulatory Affairs, Attention: Ms. Debra Bond, 202-395-7316, Department of Justice Desk Officer, Washington, DC 20503. Additionally, comments may be submitted to OMB via facsimile to 202-395-6974.

If you have additional comments, suggestions, or need a copy of the proposed information collection instrument with instruction, or additional information, please contact Mr. Richard A. Sloan, 202-514-3291, Director, Policy Directives and Instructions Branch, Immigration and Naturalization Service, U.S. Department of Justice, Room 5307, 425 I Street, NW., Washington, DC 20536.

Written comments and suggestions from the public and affected agencies concerning the this information collection should address one or more of the following four points.

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information,

including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
