University Technical Services, Incorporated, Canton, New York; Amended Negative Determination Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Negative Determination Regarding Eligibility to

Apply for Worker Adjustment Assistance on November 17, 1997, applicable to all workers of University Technical Services, Incorporated, San Diego, California. The notice was published in the **Federal Register** on December 10, 1997 (62 FR 65100).

At the request of the State agency, the Department reviewed the negative determination for workers of the subject firm. New findings show that the Department incorrectly identified the subject firm location. The investigation conducted for the subject firm was conducted on behalf of workers engaged in providing operations and maintenance services for electricity generation located in Canton, New York. San Diego, California is the Administrative Services office of the subject firm and is not the subject of the investigation. The Department is amending the negative determination to correctly identify the city and state to read Canton, New York.

Conclusion

After careful review, I determine that all workers of University Technical Services, Incorporated, Canton, New York are denied eligibility to apply for adjustment assistance under Section 222 of the Trade Act of 1974.

Signed at Washington, D.C. this 23rd day of December 1997.

Grant D. Beale,
