NUCLEAR REGULATORY COMMISSION

[Docket No. 50-317]

Baltimore Gas and Electric Co.; Notice of Partial Denial of Amendment to Facility Operating License and Opportunity for Hearing

The U.S. Nuclear Regulatory Commission (the Commission) has partially denied a request by Baltimore Gas and Electric Company, (licensee) for an amendment to Facility Operating License No. DRP-53 issued to the licensee for operation of the Calvert Cliffs Nuclear Power Plant, Unit No. 1, located in Calvert County, Maryland. Notice of Consideration of Issuance of this amendment was published in the **Federal Register** on June 18, 1997 (62 FR 33118).

The purpose of the licensee's amendment request involved replacing the service water heat exchangers with new plate and frame heat exchangers (PHES) having increased performance capability. The licensee also requested to operate the plant with one PHE secured, and removing one containment air cooler from service to enable the affected subsystem to remain operable while the one PHE is secured.

The NRC staff has concluded that the portion of the licensee's amendment request pertaining to operating the plant with one PHE secured, and removing one containment air cooler from service to enable the affected subsystems to remain operable while the PHE is serviced cannot be granted, and therefore, denied.

By March 9, 1998, the licensee may demand a hearing with respect to the partial denial described above. Any person whose interest may be affected by this proceeding may file a written petition for leave to intervene.

A request for hearing or petition for leave to intervene must be filed with the Secretary of the Commission, U.S. Nuclear Regulatory Commission, Washington, DC 20555, Attention: Rulemakings and Adjudications Staff, or may be delivered to the Commission's Public Document Room, the Gelman Building, 2120 L Street, NW., Washington, DC, by the above date.

A copy of any petitions should also be sent to the Office of the General Counsel, U.S. Nuclear Regulatory Commission, Washington, DC 20555, and to Jay E. Silberg, Esquire, Shaw, Pittman, Potts and Trowbridge, 2300 N Street, NW., Washington, DC, 20037, attorney for the licensee.

For further details with respect to this action, see (1) the application for amendment dated May 16, 1997, as
