SUPPLEMENTARY INFORMATION:

Summary of Information Collection

This information is used so the authority to use a priority rating in ordering a needed item can be granted. This is done to assure timely availability of production or construction equipment to meet current Defense requirements in peacetime and in case of national emergency. Without this information DoD would not be able to assess a contractor's stated requirement to obtain equipment needed for fulfillment of contractual obligations. Submission of this information is voluntary.

Dated: March 12, 1998.
