SECURITIES AND EXCHANGE COMMISSION

Issuer Delisting; Notice of Application To Withdraw From Listing and Registration (Federal-Mogul Corporation, Common Stock, No Par Value); File No. 1-1511

March 31, 1998.

Federal-Mogul Corporation ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule

12d2-2(d) promulgated thereunder, to withdraw the above specified security ("Security") from listing and registration on the Pacific Exchange, Inc. ("Exchange" or "PCX").

The reasons cited in the application for withdrawing the Security from listing and registration include the following:

The Security also is listed for trading on the New York Stock Exchange, Inc. ("NYSE").

The Company has represented that the volume of trading in the Security conducted on the PCX is minimal compared to the volume of trading in the Security conducted on the NYSE. According to the Company, the total number of shares of the Security traded on the PCX in 1997 (611,896) represents less than three days of trading volume in the Security on the NYSE. The Company also stated that large holders of the Security located on the west coast do not use the PCX to trade the Security. Finally, the Company represented that the extra work performed by the Company's investor relations and legal departments in relation to the Security's listing on the PCX is not justified by the benefits of such listing.

At its meeting held on February 4, 1998, the Company's Board of Directors authorized the Company's management to proceed with the voluntary delisting of the Security from the Exchange.

In its letter dated March 4, 1998, the Exchange informed the Company that it would not object to the withdrawal of the Security from listing and registration on the Exchange.

The Company has represented that the Security will continue to be listed for trading on the NYSE.

Any interested person may, on or before April 17, 1998, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the Exchange and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,
Secretary.
