COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Procurement List; Additions and deletions

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Additions to and Deletions from the Procurement List.

SUMMARY: This action adds to the Procurement List services to be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities, and deletes from the Procurement List commodities and services previously furnished by such agencies.

EFFECTIVE DATE: June 1, 1998.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, Crystal Gateway 3, Suite 310, 1215 Jefferson Davis Highway, Arlington, Virginia 22202-4302.

FOR FURTHER INFORMATION CONTACT: Beverly Milkman (703) 603-7740.

SUPPLEMENTARY INFORMATION: On February 27, March 6 and 13, 1998, the Committee for Purchase From People Who Are Blind or Severely Disabled published notices (63 FR 9999, 11207 and 12438) of proposed additions to and deletions from the Procurement List:

The following comments pertain to Janitorial/Custodial, Buildings 300 and 301, Robins Air Force Base, Georgia.

Comments were received from the current contractor for the janitorial service. The contractor indicated that the addition of the service to the Procurement List would cause harm to his firm, which is a small disadvantaged business, and asked the Committee not to add the service to the Procurement List. The contractor said that if the janitorial services in the two buildings were not retained as part of the larger janitorial contract which his firm would be bidding on, it would hurt the company, which was trying to stay competitive in an overcrowded industry.

The Committee noted that its action would only affect approximately one-third of the value of the contractor's current contract, providing the contractor with the opportunity to continue competing for a significant amount of janitorial work at Robins Air Force Base. The Committee also noted that the percentage of the firm's sales that would be lost by the addition action was below the level that the Committee normally considers to be severe adverse impact.

Additions

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the services and impact of the additions on the current or most recent contractors, the Committee has determined that the services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

I certify that the following action will not have a significant impact on a substantial number of small entities.
