

meeting is primarily for public input. All interested individuals, organizations, and agencies are invited to attend one or both of the meetings, and to assist the staff in identifying the scope of the environmental issues that should be analyzed in the EA. The times and locations of these meetings are as follows:

Agency Scoping Meeting

When: Thursday, May 28, 1998, from 9:00 a.m. until 12:00 p.m.
Where: Klamath County Museum, 1451 Main Street, Klamath Falls, OR 97601

Public Scoping Meeting

When: Thursday, May 28, 1998, from 7:00 p.m. until 10:00 p.m.
Where: Klamath County Museum, 1451 Main Street, Klamath Falls, OR 97601

To help focus discussions, we will distribute a Scoping Document (SDI) outlining the subject areas to be addressed at the meeting to the parties on the Commission's mailing list. Copies of the SDI also will be available at the scoping meetings.

Site Visit

The applicant and Commission staff will conduct a project site visit beginning at 11:00 a.m. on May 27, 1998. All interested individuals, organizations, and agencies are invited to attend. All participants should meet at the lobby of Shilo Inns, 2500 Almond Street, Klamath Falls, Oregon. All participants are responsible for their own transportation to the site. Anyone with questions about the site visit should contact Mr. Douglas Spaulding on (612) 315-6309.

Objectives

At the scoping meetings, the staff will: (1) summarize the environmental issues tentatively identified for analysis in the EIS; (2) solicit from the meeting participants all available information, especially quantifiable data, on the resources at issue; (3) encourage statements from experts and the public on issues that should be analyzed in the EIS, including viewpoints in opposition to, or in support of, the staff's preliminary views; (4) determine the relative depth of analysis for issues to be addressed in the EIS; and (5) identify resources issues that are of lesser importance, and, therefore, do not require detailed analysis.

Procedures

The meetings will be recorded by a stenographer and will become part of the formal record of the Commission proceeding on the project. Individuals presenting statements at the meetings

will be asked to sign in before the meeting starts and to clearly identify themselves for the record. Speaking time for attendees at the meetings will be determined before the meeting, based on the number of persons wishing to speak and the approximate amount of time available for the session. All speakers will be provided at least 5 minutes to present their views.

Individuals, organizations, and agencies with environmental expertise and concerns are encouraged to attend the meetings and to assist the staff in defining and clarifying the issues to be addressed in the EIS.

Persons choosing not to speak at the meetings, but who have views on the issues, may submit written statements for inclusion in the public record at the meeting. In addition, written scoping comments may be filed with the Secretary, Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, not later than June 29, 1998. All filings should contain an original and eight copies, and must clearly show at the top of the first page "Lorella Pumped Storage Project, FERC No. 11181-002."

For further information, please contact Hector M. Perez at (202) 219-2843.

Linwood A. Watson, Jr.,
Acting Secretary.

[Docket No. TM98-5-34-000]

Florida Gas Transmission Company; Notice of Proposed Changes in FERC Gas Tariff

April 27, 1998.

Take notice that on April 23, 1998, Florida Gas Transmission Company (FGT) tendered for filing to become part of its FERC Gas Tariff, Third Revised Volume No. 1, effective May 1, 1998, the following tariff sheets:

Twenty-Seventh Revised Sheet No. 8A
Eighteenth Revised Sheet No. 8A.01
Nineteenth Revised Sheet No. 8A.02
Twenty-Fourth Revised Sheet No. 8B
Seventeenth Revised Sheet No. 8B.01

FGT states that in Docket No. TM98-4-34-000 filed on February 26, 1998 and approved by Commission order dated March 23, 1998, FGT filed to establish a Base Fuel Reimbursement Charge Percentage (Base FRCP) of 3.46% to become effective April 1, 1998. In the

instant filing, FGT is filing a flex adjustment of <0.50>% to be effective May 1, 1998, which, when combined with the Base FRCP of 3.46%, results in an Effective Fuel Reimbursement Charge Percentage of 2.9%.

FGT states that the tariff sheets listed above are being filed pursuant to Section 27.A.2.b of the General Terms and Conditions of FGT's Tariff, which provides for flex adjustments to the Base FRCP. Pursuant to the terms of Section 27.A.2.b, a flex adjustment shall become effective without prior FERC approval provided that such flex adjustment does not exceed 0.5%, is effective at the beginning of a month, is posted on FGT's EBB at least five working days prior to the nomination deadline and is filed no more than sixty and at least seven days before the proposed effective date. The instant filing comports with these provisions and FGT has posted notice of the flex adjustment prior to the instant filing.

Any person desiring to be heard or to protest this filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Linwood A. Watson, Jr.,
Acting Secretary.
