**Jansport, Incorporated and Burlington, WA, et al; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on October 26, 1997, applicable to all workers of JanSport, Incorporated located in Burlington, Washington. The notice was published in the **Federal Register** on November 7, 1997 (62 FR 60279).

At the request of petitioners, the Department reviewed the certification for workers of the subject firm. Information provided by the company official and the State agency show that worker separations will occur at JanSport's sewing operations in Everett, Washington and the production facility in Wenatchee, Washington. The workers are engaged in employment related to the production of backpacks and equipment products. Based on this new information, the Department is amending the certification to include workers at the sewing operations in Everett, Washington and the production facility in Wenatchee, Washington.

The intent of the Department's certification is to include all workers of

the subject firm who were adversely affected by increased imports.

The amended notice applicable to TA-W-33, 876 is hereby issued as follows:

"All workers of JanSport, Incorporated, Burlington, Washington (TA-W-33, 876); the Sewing Operations in Everett, Washington (TA-W-33, 876A); and Wenatchee, Washington (TA-W-33, 876B), who became totally or partially separated from employment on or after September 22, 1996 through October 26, 1999, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington, D.C. this 16th day of April, 1998.
