

the Program as mentors, keep records and report on progress in achieving the developmental assistance objectives under each mentor-protégé agreement. Participation in the program is voluntary and is open to companies with at least one active subcontracting plan negotiated with DoD or another Federal agency. The report is used by the Government to assess whether the purposes of the Program have been attained. It requires mentor firms to report semiannually by attaching to their SF 295, Summary Subcontract Report: (1) A statement that includes the number of active mentor-protégé agreements in effect and the progress in achieving development assistance objectives under each agreement; and (2) a copy of the SF 294, Subcontracting Report for Individual Contracts, for each contract where developmental assistance was credited, with a statement identifying the amount of dollars credited to the small disadvantaged business subcontract goal as a result of developmental assistance; an explanation as to the relationship between the developmental assistance provided the protégé firm(s) under the Program and the activities under the contract covered by the SF 294(s); and the number and dollar value of subcontractors awarded to the protégé firm(s).

Affected Public: Business or other for-profit; not-for-profit institutions.

Frequency: Semiannually.

Respondent's Obligation: Required to obtain or retain benefits.

OMB Desk Officer: Mr. Peter N. Weiss.

Written comments and recommendations on the proposed information collection should be sent to Mr. Weiss at the Office of Management and Budget, Desk Officer for DoD, Room 10236, New Executive Office Building, Washington, DC 20503.

DOD Clearance Officer: Mr. Robert Cushing.

Office of the Secretary

Defense Science Board Task Force on Defense Acquisition Reform (Phase IV), R&D Subpanel

ACTION: Notice of Advisory Committee meetings.

SUMMARY: The Defense Science Board Task Force on Defense Acquisition Reform (Phase IV), R&D Subpanel will meet in closed session on May 14-15, June 10-11, July 15-16, September 2-3, and October 20, at the Pentagon, Arlington, Virginia; and on August 10-11, 1998 at the Beckman Center, Irvin, California. The mission of the Defense Science Board is to advise the Secretary of Defense through the Under Secretary of Defense for Acquisition and Technology on scientific and technical matters as they affect the perceived needs of the Department of Defense. At these meetings the Task Force will review the current status of reform implementation and appropriate set of metrics, and recommend further actions for the Department to accelerate progress. A particular focus of this effort should be the development and implementation of metrics that could be used by the DoD to periodically measure success in the effectiveness of the overall acquisition reform efforts.

In accordance with Section 10(d) of the Federal Advisory Committee Act, Public Law 92-463, as amended (5 U.S.C. App. II, (1994)), it has been determined that these DSB Task Force meetings, concerns matters listed in 5 U.S.C. 552b(c)(1) (1994), and that accordingly these meetings will be closed to the public.

Dated: May 1, 1998.
