

antidumping finding administrative review (48 FR 51801, November 14, 1983). These requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review. This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are in accordance with sections 751(a)(1) and 777 (i)(1) of the Act.

Dated: April 30, 1998.

Robert S. LaRussa,
