#### SUPPLEMENTARY INFORMATION:

##### Synopsis of Public Notice

On February 26, 1998, the Commission released the Second Report and Order and Further Notice of Proposed Rulemaking (FNPRM) in CC Docket No. 96-115, 63 FR 20364, April 24, 1998, addressing telecommunications carriers' use of customer proprietary information and other customer information. The Commission established March 30, 1998 and April 14, 1998 as the deadlines for parties to submit comments and reply comments, respectively. Since, however, the FNPRM was not published in the **Federal Register** until April 24, 1998, after both dates had passed, we are extending the comment cycle in order to give those parties who did not receive notice an opportunity to comment.

Parties who did not have notice of the date to file original comments may file comments on or before June 8, 1998. We will not accept new comments from parties who have already filed comments in this proceeding. Reply comments should be filed on or before June 23, 1998.

Federal Communications Commission.
