SOCIAL SECURITY ADMINISTRATION

Statement of Organization, Functions and Delegations of Authority

This statement amends Part S of the Statement of the Organization, Functions and Delegations of Authority which covers the Social Security Administration (SSA). Chapter S8 covers the Office of the Inspector General (OIG). Notice is given that Chapter S8, the Office of the Inspector General, is being amended to reflect a realignment of functions and typographical changes. The Office of Operations (OP) (S8J) is being abolished and the functions are being incorporated into the Office of Management Services (OMS) (S8G). Divisional functions are being realigned in both the Office of Investigations (OI) (S8B) and the Office of Audit (OA) (S8C). New divisional structures are being established to achieve the functional realignment. A Deputy Counsel is being established in the Office of the Counsel to the Inspector General (OCIG) (S8H). Typographical changes are also being made in the OCIG (S8H). The revised chapter reads as follows:

Section S8.10 *The Office of the Inspector General—(Organization):*

Delete:

H. The Office of Operations (OP) (S8J).

Section S8.20 *The Office of the Inspector General—(Functions):*

Amend to read as follows:

F. The Office of Management Services (OMS) (S8G) provides staff assistance to the Inspector General (IG) and Deputy Inspector General. OMS formulates and assists the IG with the execution of the OIG budget and confers with the Office of the Commissioner, the Office of Management and Budget and the Congress on budget matters. The office manages and maintains the OIB Allegation Management System (AMS) data base for all allegations reported to the OIG nationwide. OMS conducts management analyses and establishes and coordinates general management policies of the OIG. This office serves as the OIG liaison on personnel management and other administrative and management policies and practices, as well as on equal employment opportunity and civil rights matters. This office is also responsible for the development, design and redesign of major automated systems throughout the OIG. OMS is responsible for and coordinates the OIG's strategic planning function and the development and implementation of performance measures required by the Government Performance and Results Act; public affairs; interagency activities; OIG reporting requirements and publications; and responses to Congressional inquiries.
