SUPPLEMENTARY INFORMATION:

I. Abstract

The BE-48 Annual Survey of Reinsurance and Other Insurance Transactions by U.S. Insurance Companies With Foreign Persons will obtain data from U.S. insurance companies on their reinsurance and other insurance transactions with foreign persons. The information gathered is needed, among other purposes, to support U.S. trade policy initiatives and to compile the U.S. international transactions, input-output, and national income and product accounts. Apart from minor clarifications to the instructions for reporting commissions and changes to the pre-printed list of countries to reflect recent shifts in the geographic composition of cross-border insurance transactions, BEA is not proposing changes to the form or instructions at this time.

II. Method of Collection

The survey will be sent each year to potential respondents in January and responses are due by March 31. A U.S. person who engages in reinsurance transactions with foreign persons or who acts in the capacity of a primary insurer with foreign persons is required to report if, with respect to transactions with foreign persons, any of the following six items equaled or exceeded \$1 million (positive or negative) in the reporting period: (1) Premiums earned, and (2) losses, on reinsurance assumed; (3) premiums incurred, and (4) losses, on reinsurance ceded; and (5) premiums earned, and (6) losses, on primary insurance sold. A U.S. person that receives a form but is not required to

report data must file an exemption claim.

III. Data

OMB Number: 0608-0016.

Form Number: BE-48.

Type of Review: Regular submission.

Affected Public: U.S. insurance companies or groups engaging in reinsurance or other insurance transactions with foreign persons.

Estimated Number of Responses: 400.

Estimated Time Per Response: 4 hours.

Estimated Total Annual Burden Hours: 1,600.

Estimated Total Annual Cost: \$48,000 (based on an estimated reporting burden of 1,600 hours and an estimated hourly cost of \$30).

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: May 19, 1998.

**Submission for OMB Review;
Comment Request**

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of the Census.

Title: Census 2000, Special Place Facility Questionnaire Operation and Military Installation Group Quarters Address List Operation.

Form Number(s): D-351, D-351(MIL).

Agency Approval Number: 0607-0786.

Type of Request: Reinstatement, with change, of an expired collection.

Burden: 112,618 hours.

Number of Respondents: 450,473.

Avg Hours Per Response: 15 minutes.

Needs and Uses: Planning is currently underway for the Census 2000. The Census Bureau must provide everyone in the United States and Outlying Areas the opportunity to be counted in Census 2000, including persons living at group quarters (GQs) (student dorms, shelters, group homes, etc.) and housing units (HUs) at and/or associated with special places (SPs). One of the major requirements for enumeration of persons at SP facilities is to identify the GQs and any associated HUs at each SP.

The Census Bureau will maintain a file of SPs and GQs that was created from the 1990 census GQ files and is being updated from ongoing programs and other activities that will be carried out prior to Census 2000.

We plan to phone each SP in our updated file of SPs and GQs and conduct a computer assisted interview to identify and collect updated information about the GQs and HUs at each SP. Personal visit interviews will be conducted for a small number of cases. This operation will be very similar to that conducted for the 1995 and 1996 Census Tests and the 2000 Census Dress Rehearsal currently being conducted. Additionally, we plan to conduct a listing operation at military installations to collect essentially the same information.

All information gathered during this operation will be used to help us in Census 2000 to properly enumerate individuals that live in the HUs and GQs associated with SPs in the United States and Outlying Areas.

Affected Public: Business or other for-profit, individuals or households, not-for-profit institutions, Federal government.

Frequency: One time.

Respondent's Obligation: Mandatory.

Legal Authority: Title 13 USC, Sections 141 and 193.

OMB Desk Officer: Nancy Kirkendall, (202) 395-7313.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, DOC Forms Clearance Officer, (202) 482-3272, Department of Commerce, room 5327, 14th and Constitution Avenue, NW, Washington, DC 20230.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Nancy Kirkendall, OMB Desk

Officer, room 10201, New Executive Office Building, Washington, DC 20503.

Dated: May 14, 1998.

Brake Rotors From the People's Republic of China: Initiation of New Shipper Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce has received a request to conduct a new shipper administrative review of the antidumping duty order on brake rotors from the People's Republic of China. In accordance with 19 CFR 351.214(d), we are initiating this administrative review.

EFFECTIVE DATE: May 22, 1998.

FOR FURTHER INFORMATION CONTACT: Brian Smith or Sunkyu Kim, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-1766 or 482-2613, respectively.

Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended ("the Act"), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department of Commerce ("the Department") regulations are to the provisions codified at 19 CFR part 351 (62 FR 27295, May 19, 1997).

SUPPLEMENTARY INFORMATION:

Background

The Department has received a timely request from Yantai Chen Fu Machinery Co., Ltd., ("YCFM"), in accordance with 19 CFR 351.214(d), for a new shipper review of the antidumping duty order on brake rotors from the People's Republic of China ("PRC"), which has an April anniversary date. YCFM ("the respondent") has certified that it did not export brake rotors to the United States during the period of investigation

("POI"), and that it is not affiliated with any exporter or producer which did export brake rotors during the POI.

In accordance with section 751(a)(2)(B) of the Act, as amended, and 19 CFR 351.214(b), and based on information on the record, we are initiating the new shipper review as requested.

It is the Department's usual practice in cases involving non-market economies to require that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate provide *de jure* and *de facto* evidence of an absence of government control over the company's export activities. Accordingly we will issue a separate rates questionnaire to the above-named respondent, allowing 30 days for response. If the response from the respondent provides sufficient indication that the YCFM is not subject to either *de jure* or *de facto* government control with respect to its exports of brake rotors, this review will proceed. If, on the other hand, YCFM does not demonstrate its eligibility for a separate rate, then YCFM will be deemed to be affiliated with other companies that exported during the POI and that did not establish entitlement to a separate rate, and this review will be terminated.

Initiation of Review

In accordance with section 751(a)(2)(B)(ii) of the Act and 19 CFR 351.214(d)(1), we are initiating a new shipper review of the antidumping duty order on brake rotors from the PRC. On May 11, 1998, YCFM agreed to waive the time limits in order that the Department, pursuant to 19 CFR 351.214(j)(3), may conduct this review concurrent with the first annual administrative review of this order for the period October 10, 1996-March 31, 1998, which is being conducted pursuant to section 751(a)(1) of the Act. See, Antidumping Duties, Countervailing Duties; Final Rule, (62 FR 27295, 27395, May 19, 1997). Therefore, we intend to issue the final results of this review not later than 245 days after the last day of the anniversary month.

Antidumping duty proceeding	Period to be reviewed
PRC: Brake Rotors, A-570-846: Yantai Chen Fu Machinery Co., Ltd ...	10/10/96-03/31/98

We will instruct the U.S. Customs Service to allow, at the option of the importer, the posting, until the completion of the review, of a bond or security in lieu of a cash deposit for

each entry of the merchandise exported by the above listed company. This action is in accordance with 19 CFR 351.214(e) and (j)(3).

Interested parties that need access to the proprietary information in this new shipper review should submit applications for disclosure under administrative protective orders in accordance with 19 CFR 353.34(b).

This initiation and this notice are in accordance with section 751(a) of the Act (19 U.S.C. 1675(a)) and 19 CFR 351.214(d).

Dated: May 14, 1998.

Maria Harris Tildon,

Acting Deputy Assistant Secretary, Import Administration.

Ferrosilicon From Brazil: Notice of Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Final Results of Antidumping Duty Administrative Review.

SUMMARY: On January 16, 1998, the Department of Commerce published the preliminary results of the administrative review of the antidumping duty order on Ferrosilicon from Brazil. This review covers exports of this merchandise to the United States by one manufacturer/exporter, Companhia de Ferro Ligas da Bahia, during the period March 1, 1996, through February 28, 1997.

We gave interested parties an opportunity to comment on the preliminary results. Based on our analysis of the comments received, we have not changed the final results from those presented in the preliminary results.

EFFECTIVE DATE: May 22, 1998.
