DEPARTMENT OF DEFENSE

Department of the Navy

32 CFR Part 706

Certifications and Exemptions Under the International Regulations for Preventing Collisions at Sea, 1972 Amendment

AGENCY: Department of the Navy, DOD.
ACTION: Final rule.

SUMMARY: The Department of the Navy is amending its certifications and exemptions under the International Regulations for Preventing Collisions at Sea, 1972 (72 COLREGS), to reflect that the Deputy Assistant Judge Advocate General (Admiralty) of the Navy has determined that USS STOUT (DDG 55) is a vessel of the Navy which, due to its special construction and purpose, cannot comply fully with certain provisions of the 72 COLREGS without

interfering with its special functions as a naval ship. The intended effect of this rule is to warn mariners in waters where 72 COLREGS apply.

EFFECTIVE DATE: May 8, 1998.

FOR FURTHER INFORMATION CONTACT: Captain R. R. Pixa, JAGC, U.S. Navy Admiralty Counsel, Office of the Judge Advocate General, Navy, Department, 200 Stovall Street, Alexandria, VA 22332-2400, Telephone number: (703) 325-9744

SUPPLEMENTARY INFORMATION: Pursuant to the authority granted in 33 U.S.C. 1605, the Department of the Navy amends 32 CFR Part 706. This amendment provides notice that the Deputy Assistant Judge Advocate General (Admiralty) of the Navy, under authority delegated by the Secretary of the Navy, has certified that USS STOUT (DDG 55) is a vessel of the Navy which, due to its special construction and

purpose, cannot comply fully with the following specific provision of 72 COLREGS without interfering with its special function as a naval ship: Annex I, paragraph 3(a), pertaining to the location of the forward masthead light in the forward quarter of the vessel, the placement of the after masthead light, and the horizontal distance between the forward and after masthead lights. The Deputy Assistant Judge Advocate General (Admiralty) has also certified that the lights involved are located in closest possible compliance with the applicable 72 COLREGS requirements.

Moreover, it has been determined, in accordance with 32 CFR Parts 296 and 701, that publication of this amendment for public comment prior to adoption is impracticable, unnecessary, and contrary to public interest since it is based on technical findings that the placement of lights on this vessel in a

manner differently from that prescribed herein will adversely affect the vessel's ability to perform its military functions.

List of Subjects in 32 CFR Part 706

Marine safety, Navigation (water), and Vessels.

Accordingly, 32 CFR part 706 is amended as follows:

PART 706—[AMENDED]

1. The authority citation for 32 CFR part 706 continues to read as follows:

Authority: 33 U.S.C. 1605.

2. Table Five of § 706.2 is amended by revising the entry for the USS STOUT to read as follows:

§ 706.2 Certifications of the Secretary of the Navy under Executive Order 11964 and 33 U.S.C. 1605.

BILLING CODE 3810-FF-P

PANAMA CANAL COMMISSION

35 CFR Part 133

RIN 3207-AA-46

Tolls for Use of Canal

AGENCY: Panama Canal Commission.

ACTION: Final rule.

SUMMARY: The Panama Canal Commission (Commission) is revising its method of payment of tolls and other vessel charges to allow certain small vessels paying a toll of not more than \$1,500 to have the option to pay tolls and fees for other ancillary services by using commercial credit cards, under conditions established by the Commission.

DATES: Effective June 1, 1998.

FOR FURTHER INFORMATION CONTACT: John A. Mills, Telephone: (202) 634-6441, Facsimile: (202) 634-6439, E-mail: pancanalwo@aol.com; or Department of Financial Management, Telephone 011 (507) 272-3137, Facsimile: 011 (507) 272-3433, E-mail: fmf@pancanal.com.

SUPPLEMENTARY INFORMATION: On June 1, 1998, the Commission will establish a new toll structure for small vessels transiting the Panama Canal. This change is being implemented as part of the efforts the Commission is taking to allocate better its resources and to provide a more efficient service.

The Commission is also aware of the importance of providing better service to customers. The Board of Directors of the Commission, therefore, approved a change which will allow small vessel owners to guarantee the payment of tolls and fees for other ancillary services by use of a commercial credit card.

Currently, all vessels transiting the Canal must pay tolls in full, or secure these charges through a financial institution designated by the Commission as provided in 35 CFR

133.74. Vessels must satisfy this requirement before they are permitted to enter a lock, as well as pay all other charges before a vessel is permitted to depart from the Canal. Unless one of the exceptions under 35 CFR 133.74 applies, all payments are required to be made in cash.

This new exception will expedite the paperwork involved in the transit of small vessels by allowing vessel owners to complete payment requirements in less time. Furthermore, this will facilitate the Commission's administrative process involved in the payment of tolls and other vessel charges for small vessel transits. No notice or comment period is being afforded as this change will provide an immediate benefit to affected Canal users.

The Commission is exempt from Executive Order 12866 and its provisions do not apply to this rule. Even if the Order were applicable, the rule would not have a significant economic impact on a substantial number of small entities under the Regulatory Flexibility Act. The
