**Granite State Gas Transmission, Inc., Notice of Compliance Tariff Filing**

June 16, 1998.

Take notice that on June 12, 1998, Granite State Gas Transmission, Inc. (Granite State), tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, Substitute Original Sheet No. 336, for effectiveness on May 1, 1998.

According to Granite State, Substitute Original Sheet No. 336 is submitted in compliance with the Commission's order issued May 28, 1998 in Docket No. RP98-205-000. Granite State further states that, in the foregoing order, the Commission accepted tariff sheets filed by Granite State proposing a surcharge on its rates for firm and interruptible transportation services to recover costs related to an extension of a lease of a pipeline facility from Portland Pipe Line for one year, from May 1, 1998 to April 30, 1999.

According to Granite State, when it initially filed the surcharge tariff provision, it proposed an effective date of June 1, 1998; later, Granite State says that, by letter on May 7th, it requested that the surcharge be made effective on May 1 for a period of one year, corresponding with the term of the extension of the lease.

Granite State further states that the Commission accepted the surcharge tariff provision for effectiveness on May 1, 1998, and Substitute Original Sheet No. 336 has been revised to reflect the effectiveness of the surcharge as of May 1, 1998, for one year ending April 30, 1999, instead of May 31, 1999, as originally filed.

Granite State also states that copies of its filing have been served on its firm and interruptible customers and on the regulatory agencies of the states of

Maine, Massachusetts and New Hampshire.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations.
