**AGENCY:** Minerals Management Service, Interior.

**ACTION:** Final notice of sale.

1. *Authority.* The Minerals Management Service (MMS) is issuing this Final Notice of Sale under the Outer Continental Shelf (OCS) Lands Act (43 U.S.C. 1331-1356, as amended) and the regulations issued thereunder (30 CFR Part 256).

A "Sale Notice Package," containing this Notice and several supporting and essential documents referenced in the Notice, is available from the MMS Gulf of Mexico Regional Office Public Information Unit (see paragraph 15 of this Notice).

2. *Filing of Bids.* Bidders must comply with the following requirements. Times

specified hereafter are local New Orleans times unless otherwise indicated.

(a) *Filing of Bids.* Sealed bids must be received by the Regional Director (RD), Gulf of Mexico Region, MMS, 1201 Elmwood Park Boulevard, New Orleans, Louisiana 70123-2394, during normal business hours (8 a.m. to 4 p.m.) until the Bid Submission Deadline at 10 a.m., Tuesday, August 25, 1998. If the RD receives bids later than the time and date specified above, he will return the bids unopened to bidders. Bidders may not modify or withdraw their bids unless the RD receives a written modification or written withdrawal request prior to 10 a.m. Tuesday, August 25, 1998.

(b) *Bid Opening Time.* Bid Opening Time will be 9 a.m., Wednesday, August 26, 1998, in the Hyatt Regency Hotel, 500 Poydras Plaza, New Orleans, Louisiana (Cabildo Ballrooms A, B, and C). The MMS published a list of restricted joint bidders, which applies to this sale, in the **Federal Register** at 63 FR 14473, on March 25, 1998.

(c) *Natural Disasters.* In the event of widespread flooding or other natural disaster, the MMS Gulf of Mexico Regional Office may extend the bid submission deadline. Bidders may call (504) 736-0557 for information about the possible extension of the bid submission deadline due to such an event.

#### 3. *Method of Bidding.*

(a) *Submission of Bids.* For each tract bid upon, a bidder must submit a separate signed bid in a sealed envelope labeled "Sealed Bid for Oil and Gas Lease Sale 171, not to be opened until 9 a.m., Wednesday, August 26, 1998." The total amount bid must be in a whole dollar amount; any cent amount above the whole dollar will be ignored by the MMS. Details of the information required on the bid(s) and the bid envelope(s) are specified in the document "Bid Form and Envelope" contained in the Sale Notice Package (see paragraph 15 of this Notice).

Bidders must execute all documents in conformance with signatory authorizations on file in the MMS Gulf of Mexico Regional Office. Partnerships also must submit or have on file a list of signatories authorized to bind the partnership. Bidders submitting joint bids must state on the bid form the proportionate interest of each participating bidder, in percent to a maximum of five decimal places, e.g., 33.33333 percent. The MMS may require bidders to submit other documents in accordance with 30 CFR 256.46. The MMS warns bidders against violation of 18 U.S.C. 1860 prohibiting

unlawful combination or intimidation of bidders.

(b) *Submission of the 1/5th Bonus Payment.* Bidders have the option of submitting the 1/5th cash bonus in cash or by cashier's check, bank draft, or certified check with the bid, or by using electronic funds transfer (EFT) procedures. Detailed instructions for submitting the 1/5th bonus payment by EFT are contained in the document "Instructions for Making EFT 1/5th Bonus Payments" included in the Sale Notice Package.

Bidders are advised that the MMS considers the signed bid to be a legally binding obligation on the part of the bidder(s) to comply with all applicable regulations, including paying the 1/5th bonus on all high bids. Bidders must include a statement to this effect on each bid (see the document "Bid Form and Envelope" contained in the Sale Notice Package).

#### 4. *Minimum Bid, Yearly Rental, and Bidding Systems.*

The following minimum bid, yearly rental, and bidding systems apply to this sale (the map "Lease Terms, Bidding Systems, and Royalty Suspension Areas, Sale 171" is included in the Sale Notice Package (see paragraph 1)):

**Note:** Example for Calculating Minimum Bid and Rental: If the block bid contains a fraction of an acre (for example, 3,010.2 acres), round up to the next whole acre (3,011 acres) and multiply by the applicable dollar amount to determine the correct minimum bid or rental. In this example, if the established minimum bid for the block is \$25 per acre, the minimum bid for the block would be \$75,275 (3,011 × \$25). If the rental rate for the block is \$5 per acre, the annual rental for the block would be \$15,055 (3,011 × \$5).

(a) *Minimum Bid.* Bidders must submit a cash bonus in the amount of \$25.00 or more per acre or fraction thereof with all bids submitted at this sale.

(b) *Yearly Rental.* All leases awarded on tracts in water depths of 200 meters and greater (i.e., tracts in any of the three royalty suspension areas), as depicted on the map "Lease Terms, Bidding Systems, and Royalty Suspension Areas, Sale 171," will require a yearly rental payment of \$7.50 per acre or fraction thereof until initial production is obtained.

All leases awarded on other tracts (i.e., those in water depths of less than 200 meters) will provide for a yearly rental payment of \$5.00 per acre or fraction thereof until initial production is obtained.

(c) *Bidding Systems.* After initial production is obtained, leases will require a minimum royalty of the

amount per acre or fraction thereof as specified as the yearly rental in paragraph 4(b) above, except during periods of royalty suspension as discussed in paragraph 4(c)(3) of this Notice. The following royalty systems will be used in this sale:

(1) *Leases with a 12 1/2-Percent Royalty.* This royalty rate applies to tracts in water depths of 400 meters or greater; this area is shown on the Map "Lease Terms, Bidding Systems, and Royalty Suspension Areas, Sale 171." Leases issued on the tracts offered in this area will have a fixed royalty rate of 12 1/2 percent, except during periods of royalty suspension (see paragraph 4(c)(3) of this Notice).

(2) *Leases with a 16 2/3-Percent Royalty.* This royalty rate applies to tracts in water depths of less than 400 meters (see aforementioned map). Leases issued on the tracts offered in this area will have a fixed royalty rate of 16 2/3 percent, except during periods of royalty suspension for leases in water depths 200 meters or greater (see paragraph 4(c)(3) of this Notice).

(3) *Royalty Suspension.* In accordance with Public Law 104-58, signed by the President on November 28, 1995, the MMS has developed procedures providing for the suspension of royalty payments on production from eligible leases issued as a result of this sale. The final rule specifying royalty suspension terms for lease sales in the Central and Western Gulf was published in the **Federal Register** on January 16, 1998 (63 FR 2626). Additional information pertaining to royalty suspension matters may be found in the document "Information to Lessees," contained in the Sale Notice Package.

The map titled "Lease Terms, Bidding Systems, and Royalty Suspension Areas, Sale 171" depicts the blocks in which such suspensions may apply.

5. *Equal Opportunity.* The certification required by 41 CFR 60-1.7(b) and Executive Order No. 11246 of September 24, 1965, as amended by Executive Order No. 11375 of October 13, 1967, on the Compliance Report Certification Form, Form MMS-2033 (June 1985), and the Affirmative Action Representation Form, Form MMS-2032 (June 1985) must be on file in the MMS Gulf of Mexico Regional Office prior to lease award (see paragraph (e) of the document "Information to Lessees," contained in the Sale Notice Package).

6. *Bid Opening.* Bid opening will begin at the bid opening time stated in paragraph 2. The opening of the bids is for the sole purpose of publicly announcing bids received, and no bids will be accepted or rejected at that time.

7. *Deposit of Payment.* Any payments made in accordance with paragraph 3(b) above will be deposited by the Government in an interest-bearing account in the U.S. Treasury during the period the bids are being considered. Such a deposit does not constitute and shall not be construed as acceptance of any bid on behalf of the United States.

8. *Withdrawal of Tracts.* The United States reserves the right to withdraw any tract from this sale prior to issuance of a written acceptance of a bid for the tract.

9. *Acceptance, Rejection, or Return of Bids.* The United States reserves the right to reject any and all bids. In any case, no bid will be accepted, and no lease for any tract will be awarded to any bidder, unless:

(a) the bidder has complied with all requirements of this Notice, including the documents contained in the associated Sale Notice Package (see paragraphs 1 and 15 of this Notice), and applicable regulations;

(b) the bid is the highest valid bid; and

(c) the amount of the bid has been determined to be adequate by the authorized officer.

No bonus bid will be considered for acceptance unless it provides for a cash bonus as specified in paragraph 4 above. Any bid submitted which does not conform to the requirements of this Notice, the OCS Lands Act, as amended, and other applicable regulations may be returned to the person submitting that bid by the RD and not considered for acceptance.

To ensure that the Government receives a fair return for the conveyance of lease rights for this sale, tracts will be evaluated in accordance with established MMS bid adequacy procedures. A copy of the current procedures ("Summary of Procedures for Determining Bid Adequacy at Offshore Oil and Gas Lease Sales: Effective August 1997, with Sale 168") is available from the MMS Gulf of Mexico Regional Office Public Information Unit (see paragraph 15 of this Notice). This document incorporates changes announced in a **Federal Register** Notice at 62 FR 37589, dated July 14, 1997.

10. *Successful Bidders.* The following requirements apply to successful bidders in this sale:

(a) *Lease Issuance.* The MMS will require each person who has submitted a bid accepted by the authorized officer to execute copies of the lease (Form MMS-2005 (March 1986) as amended), pay the balance of the cash bonus bid along with the first year's annual rental for each lease issued by EFT in

accordance with the requirements of 30 CFR 218.155, and satisfy the bonding requirements of 30 CFR 256, Subpart I, as amended.

Additional information pertaining to this matter may be found in the document "Information to Lessees" contained in the Sale Notice Package.

(b) *Certification Regarding Nonprocurement Debarment, Suspension, and Other Responsibility Matters—Primary Covered Transactions.* Each person involved as a bidder in a successful high bid must have on file, in the MMS Gulf of Mexico Regional Office Adjudication Unit, a currently valid certification that the person is not excluded from participation in primary covered transactions under Federal nonprocurement programs and activities. A certification previously provided to that office remains currently valid until new or revised information applicable to that certification becomes available. In the event of new or revised applicable information, the MMS will require a subsequent certification before lease issuance can occur. Persons submitting such certifications should review the requirements of 43 CFR, Part 12, Subpart D.

A copy of the certification form is contained in the Sale Notice Package.
