SUPPLEMENTARY INFORMATION:

OMB Approval Number: 3060-0430.

Title: Section 47 CFR 1.1206, Permit-But-Disclose Proceedings.

Form Number: N/A.

Type of Review: Revision of a currently approved collection.

Respondents: Individuals or households; Business and other for-profit entities; Not-for-profit institutions; Federal Government; State, Local or Tribal Government.

Number of Respondents: 10,000.

Estimated Time Per Response: 0.5 hour.

Frequency of Response: Recordkeeping and On occasion reporting requirements.

Total Annual Burden: 5,000 hours.

Cost to Respondents: \$0.

Needs and Uses: The Commission's rules require that a public record be made of *ex parte* presentations (i.e., written presentations not served on all parties to the proceedings or oral presentations as to which all parties have not been given notice and an opportunity to be present) to decision-making personnel in "permit-but-disclose" proceedings, such as notice-and-comment rule makings and declaratory ruling proceedings. Persons making such presentations must file two copies of written presentations and two copies of a memorandum reflecting new data or arguments in oral presentations no later than the next business day after the presentation. Effective June 30, 1998, if *ex parte* presentations are filed electronically, only one copy need be filed. Parties to permit-but-disclose proceedings, including interested members of the public, use information regarding *ex parte* presentations to respond to the arguments made and data presented in the presentations. The responses may then be used by the Commission in its decision-making. The availability of the *ex parte* materials helps ensure that the interested persons have fair notice of presentations made to the Commission and the development of a complete record.
