I. Information Collection Requests

FMCS is seeking comments on the following Information Collection Requests (ICRs).

Title: Arbitrator's Personal Data Questionnaire. ICR is R-22, OMB No. 3076-0001. Expiration date: 11/30/2001.

Affecting entities: Parties affected by this information collection are individuals who apply for admission to the FMCS Roster of Arbitrators.

Abstract: Title II of the Labor Management Relations Act of 1947 Pub. L. 90-101 as amended in 1959 (Pub. L. 86-257) and 1974 (Pub. L. 93-360), states that it is the labor policy of the United States that "the settlement of issues between employers and employees through collective bargaining may be advanced by making available

full and adequate governmental facilities for conciliation, mediation, and voluntary arbitration to encourage employers and representatives of their employees to reach and maintain agreements rates of pay, hours, and working conditions, and to make all reasonable efforts to settle their differences by mutual agreement reached through conferences and collective bargaining or by such methods as may be provided for in any applicable agreement for the settlement of disputes." Under its regulations at 29 CFR Part 1404, FMCS has established policies and procedures for its arbitration function dealing with all arbitrators listed on the FMCS Roster of Arbitrators, all applicants for listing on the Roster, and all person or parties seeking to obtain from FMCS either names or panels of names of arbitrators listed on the Roster in connection with disputes which are to be submitted to arbitration or fact-finding. FMCS strives to maintain the highest quality of dispute resolvers on its roster. To ensure that purpose, it asks all candidates to complete an application form.

The purpose of this collection is to gather information about applicants for inclusion in the FMCS Roster of Arbitrators. This questionnaire is needed in order that FMCS may select highly qualified individuals for the arbitrator roster. The respondents are private citizens who make application for appointment to FMCS roster. This obligation is pursuant to 29 U.S.C. 171(b), 29 CFR Part 1404. This notice is a request to extend the existing form which is currently approved collection without any change in the substance or method of collection.

Burden Statement: The number of respondents is approximately 250 individuals per year; the approximate number of individuals who request membership on the FMCS Roster. The time required to complete this questionnaire is approximately one and one-half hour to complete the application. Each respondent is required to respond only once per application, and once per year for updating the biographical sketch.

Title: Request for Arbitration Services. ICR No. R-43, OMB No. 3076-0002; Expiration date: 11/30/2001.

Affected Entities: Employers and their representatives, employees, labor unions and their representatives who request arbitration services.

Abstract: Pursuant to 29 U.S.C. s171(b) and 29 CFR Part 1404, FMCS offers panels of arbitrators for selection by labor and management to resolve grievances and disagreements arising under their collective bargaining

agreements and to deal with fact and interest arbitration issues as well. The need for this form is to obtain information such as name, address, type of assistance desired, so that the FMCS can respond to requests efficiently and effectively for various arbitration services (e.g. furnishing lists of seven arbitrators to parties). The purpose of this information collection is to facilitate the processing of the party's request for arbitration assistance. No third party notification or public disclosure burden is associated with this collection. This notice for comments refers to a revision of the current form to include information regarding payment for services and to note if the request involves Expedited Arbitration.

Burden Statement: The current total annual burden estimate is that FMCS will receive requests from approximately 15,000 respondents per year. In most instances, the form is completed only once and takes about ten minutes to complete. Thus, the frequency of request for an arbitration panel is usually only once.

Title: Arbitrator's Report and Fee Statement. ICR Form R-19; OMB No. 3076-0003. Expiration date: November 30, 2001.

Affected Entities: Individual arbitrators who render awards under appointment by the FMCS procedures.

Abstract: Pursuant to 29 U.S.C. S 171(b) and 29 CFR Part 1404, FMCS assumes a responsibility to monitor the work of the arbitrators who serve on its roster. This is satisfied through the requirement of completion of report and fee statement which indicates when the arbitration award was rendered, the file number, the company and union, the issues, whether briefs were filed and transcripts taken, if there were any waivers by parties on the date the award was due, and the fees and days for services as an arbitrator. This information is then contained in the agency's annual report to indicate the types of arbitration issues, the average or median arbitration fees and days spent and cases. This notice request is for an extension of the form which is currently approved for collection; no change in the substance or method of collection is involved.

Burden Statement: FMCS receives approximately 4000 responses per year. The form is only filed out once and the time required is approximately ten minutes. FMCS uses this form to review arbitrator conformance with its fee and expenses reporting requirements. This information is then contained in the agency's annual report to indicate the types of arbitration issues, the average

or median arbitration fees and days spent on cases. This notice request is for extension of the form which is currently approved for collection; no change in the substance or method of collection is involved.

II. Request for Comments

FMCS solicits comments to:

- (i) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility.
- (ii) Enhance the accuracy of the agency's estimates of the burden of the proposed collection of information.
- (iii) Enhance the quality, utility, and clarity of the information to be collected.
- (iv) Minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated electronic collection technologies or other forms of information technology, e.g., permitting electronic and fax submission of responses.

III. The Official Record

The official record is the paper record maintained at the address in addresses at the beginning of this document. FMCS will transfer all electronically received comments into printed paper form as they are received.
