**National Telecommunications and
Information Administration**

**Spectrum Planning and Policy
Advisory Committee; Notice of Meeting**

ACTION: Notice of Recruitment of Private Sector Members, Spectrum Planning and Policy Advisory Committee (SPAC).

SUMMARY: The SPAC was established on July 19, 1965 as the Frequency Management Advisory Council (FMAC). The name was changed in April, 1991, and in July, 1993, to reflect the increased scope of its mission. The objective of the Committee is to advise the Secretary of Commerce on radio frequency spectrum planning matters and means by which the effectiveness of Federal Government frequency management may be enhanced. NTIA nominates candidates for membership; selection and appointment is made by the Secretary of Commerce. The Committee consists of nineteen members, fifteen from the private sector, and four from the Federal Government, whose knowledge of telecommunications and spectrum management is balanced in the functional areas of manufacturing, analysis and planning, operations, research, academia and international negotiations.

The membership reflects the Department's commitment to attaining balance and diversity. SPAC members must obtain a background investigation prior to appointment. These clearances are necessary so that members can be permitted access to relevant information needed in formulating recommendations to the U.S. Government. The SPAC meets approximately twice a year, and members are not compensated for their services.

On an as-needed basis, the SPAC seeks private-sector members with frequency management, electromagnetic compatibility, frequency assignment and related experience and expertise in the functional areas listed above. If you would like to be considered for membership on the SPAC, please send a fact sheet describing your company, provide details of your interest/activity in at least one of the functional areas

listed above, and provide a short biographical. Material may be faxed to the number below.

DEADLINE: This request remains open for one year from the date of publication in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT:

Inquires may be addressed to the Executive Secretary, SPAC, Mr. Richard A. Lancaster, National Telecommunications and Information Administration, Room 4082, U.S. Department of Commerce, 1401 Constitution Avenue, NW, Washington, DC 20230, telephone 202-482-4487, or fax to 202-482-4396.

ACTION: Notice inviting applications for new awards for fiscal year (FY) 1999.
