Refund Applications

Apex Oil/Clark Oil Co./Kickapoo Oil Co., Inc., 10/13/98, RF342-284

The DOE denied a refund application filed in the Apex/Clark special refund proceeding. The OHA found that applicant is precluded by the doctrine of *res judicata* from relitigating its claims in Apex/Clark proceeding.

Atlantic Richfield Company/Saturn Petroleum Company, 10/13/98, RF304-15516

A refund that was granted to Saturn Petroleum Company in the ARCO refund proceeding was rescinded. The original refund had been based upon the firm's claim to have purchased about 300,000 gallons of ARCO products per month at each of four retail outlets between 1973 and 1976. However, a

review of information that the firm had submitted in the Texaco refund proceeding indicated that these outlets had not purchased ARCO products for most of the time period the firm had claimed and the monthly volume of ARCO purchases had been much lower. The firm failed to respond to an Order to Show Cause why the refund should not be rescinded in full. Accordingly, the firm was ordered to repay the refund together with interest.

State Escrow Distribution, 10/14/98, RF302-21

The Office of Hearings and Appeals ordered the DOE's Office of the Controller to distribute \$24,150,000 to the State Governments. The use of the funds by the States is governed by the Stripper Well Settlement Agreement.
