[Docket No. RP97-406-020]

CNG Transmission Corporation; Notice of Proposed Changes in FERC Gas Tariff

January 14, 1999.

Take notice that on January 12, 1999, CNG Transmission Corporation (CNG), tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the tariff sheets listed on Attachment A to its transmittal letter. CNG requests various effective dates (ranging from January 1, 1998 to February 1, 1999) for these proposed tariff sheets.

CNG states that the purpose of this filing is to adopt certain tariff revisions as necessary to implement the August 31, 1998 Stipulation and Agreement filed by CNG in Docket Nos. RP97-406-000, et al. (August 31 Stipulation). The basis of CNG's rate revisions and tariff changes are established in the August 31 Stipulation and its Appendices, specifically Appendices A, B, and E. CNG's states that its filing is made to comply with Article XI, Paragraph A of the August 31 Stipulation.

CNG requests waiver of Section 154.201(b), so that CNG may rely on the materials contained in its August 31 Stipulation as the basis of its implementation filing tariff sheets. The August 31 Stipulation was approved by Commission order dated November 24, 1998. 85 FERC ¶ 61,261. As no party has sought rehearing, this order has become "final," in accordance with Article I, Paragraph E of the August 31 Stipulation. Thus, the "Effective Date" of the August 31 Stipulation is February 1, 1999. CNG requests waiver of Section 154.207 of the regulations, so that these tariff revisions may be implemented on the August 31 Stipulation's Effective Date.

CNG states that copies of this letter of transmittal and enclosures are being mailed to CNG's customers and interested state commissions.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and

Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Linwood A. Watson, Jr.,

Acting Secretary.

[Docket No. ER99-666-000]

EME Homer City Generation, L.P.; Notice of Issuance of Order

January 14, 1999.

EME Homer City Generation, L.P. (Homer City), a subsidiary of Edison Mission Energy and an affiliate of Southern California Edison Company, filed an application requesting that the Commission authorize it to sell power at market-based rates, and for certain waivers and authorizations. In particular, Homer City requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liabilities by Homer City. On January 13, 1999, the Commission issued an Order Conditionally Accepting For Filing Proposed Market-Based Power Sales Rates And Granting Waiver Of Notice (Order), in the above-docketed proceeding.

The Commission's January 13, 1999 Order granted the request for blanket approval under Part 34, subject to the conditions found in Ordering paragraphs (D), (E), and (G):

(D) Within 30 days of the date of this order, any person desiring to be heard or to protest the Commission's blanket approval of issuances of securities or assumptions of liabilities by Homer City should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure, 18 CFR 385.211 and 385.214.

(E) Absent a request to be heard within the period set forth in Ordering Paragraph (D) above, Homer City is hereby authorized to issue securities and assume obligations and liabilities as guarantor, indorser, surety or otherwise

in respect of any security of another person; provided that such issue or assumption is for some lawful object within the corporate purposes of Homer City, compatible with the public interest, and reasonably necessary or appropriate for such purposes.

(G) The Commission reserves the right to modify this order to require a further showing that neither public nor private interests will be adversely affected by continued Commission approval of Homer City's issuances of securities or assumptions of liabilities. * * *

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is February 12, 1999.

Copies of the full text of the Order are available from the Commission's Public Reference Branch, 888 First Street, NE, Washington, DC 20426.

David P. Boergers,

Secretary.

Iroquois Gas Transmission System, L.P.; Notice of Proposed Changes in FERC Gas Tariff

January 14, 1999.

Take notice that on January 11, 1999, Iroquois Gas Transmission System, L.P. (Iroquois) tendered for filing the following tariff sheets proposed to become effective November 2, 1998:

Second Substitute First Revised Sheet No. 60D

Iroquois states that this sheet was submitted in compliance with the Commission's letter order issued on December 8, 1998 in Docket No. RP98-421-000, and replaces the tariff sheet which was submitted on December 23, 1998 in Docket No. RP98-421-002. The tariff sheet included herewith reflects changes in Iroquois notification to shippers of intra-day bumping.

Iroquois states that copies of its filing were served on all jurisdictional customers and interested state regulatory agencies and all parties to the proceeding.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be
