SUPPLEMENTARY INFORMATION: This is a summary of the Public Safety and Private Wireless Division's Order, WT Docket No. 98-182, DA 98-2651,

adopted December 30, 1998, and released December 31, 1998. Summary of Order

1. On September 30, 1998, the Commission adopted A Notice of Proposed Rulemaking (Notice) in the above-captioned proceeding. Comments on the Notice were due on or before January 4, 1999, and Reply Comments were due on or before January 22, 1999. On December 23, 1998, the Commission received a request for Extension of Time to File Comments filed by the Land Mobile Communications Council.

2. LMCC requests an extension until January 18, 1999, to file comments. It states that this would afford interested parties adequate time to prepare full and complete comments in order that the Commission may develop as complete a record as possible. LMCC indicates that it files comments in proceedings before the Commission with the consensus of, and on behalf of, the vast majority of public safety, business, industrial, private, commercial and land transportation radio users. LMCC points out that the comment deadline falls immediately after an extended holiday period making it difficult for LMCC to develop consensus comments because of the unavailability of many of its members due to travel.

3. It is the policy of the Commission that extensions of time are not routinely granted. Upon review, however, we agree that an extension would afford parties the necessary time to coordinate and file substantive comments for the record. We believe, that a 15 day extension of time, until January 19, 1999, within which to file comments on the Notice should be sufficient. This extension should provide an adequate opportunity for all parties to prepare and file responsive and complete comments in this proceeding.

Ordering Clauses

4. Accordingly, *it is hereby ordered* that the Request for Extension of Time to File Comments filed by LMCC on December 23, 1998, is hereby granted. Parties shall file comments on the Notice no later than January 19, 1999.

Reply comments are due on or before February 3, 1999.
